Forward Looking Statements

Certain statements made in this press release are "forward-looking statements". Forward-looking statements may be identified by the use of words such as "anticipate", "believe", "expect", "estimate", "plan", "outlook", and "project" and other similar expressions that predict or indicate future events or trends or that are not statements of historical matters. Such statements include those related to the success of the combined company, Astra mission to make space more accessible and to benefit life on earth, and the use of proceeds from the transaction. These forward-looking statements reflect the current analysis of existing information and are subject to various risks and uncertainties. As a result, caution must be exercised in relying on forward-looking statements. Due to known and unknown risks, actual results may differ materially from combined company's expectations or projections. The following factors, among others, could cause actual results to differ materially from those described in these forward-looking statements: (i) the ability of the combined company to meet Nasdaq listing standards following the transaction; (ii) the failure to meet projected development and launch targets; (iii) costs related to the proposed transaction; (iv) changes in applicable laws or regulations; (v) the ability of the combined company to meet its financial and strategic goals, due to, among other things, competition; (vi) the ability of the combined company to pursue a growth strategy and manage growth profitability; (vii) the possibility that the combined company may be adversely affected by other economic, business, and/or competitive factors; (viii) the effect of the COVID-19 pandemic on the combined company; and (ix) other risks and uncertainties described herein, as well as those risks and uncertainties discussed from time to time in other reports and other public filings with the Securities and Exchange Commission by Astra or Hologic.
