Item 1.01 Entry into a Material Definitive Agreement.

On August 2, 2022, Astra Space, Inc. (the “Company”) entered into a Common Stock Purchase Agreement (the “Purchase Agreement”) and a Registration Rights Agreement (the “Registration Rights Agreement”) with B. Riley Principal Capital II, LLC (“B. Riley Principal Capital II”). Pursuant to the Purchase Agreement, subject to the satisfaction of the conditions set forth in the Purchase Agreement, the Company will have the right to sell to B. Riley Principal Capital II up to the lesser of (i) \$100,000,000 of newly issued shares (the “Shares”) of the Company’s Class A common stock, par value \$0.0001 per share (the “Class A Common Stock”), and (ii) the Exchange Cap (as defined below) (subject to certain conditions and limitations), from time to time during the term of the Purchase Agreement. Sales of the Shares pursuant to the Purchase Agreement, and the timing of any sales, are solely at the option of the Company, and the Company is under no obligation to sell any Shares to B. Riley Principal Capital II under the Purchase Agreement.

Upon the initial satisfaction of the conditions to B. Riley Principal Capital II’s purchase obligation set forth in the Purchase Agreement (the “Commencement”), including that a registration statement registering under the Securities Act of 1933, as amended (the “Securities Act”), the resale by B. Riley Principal Capital II of the Shares, which the Company agreed to file with the Securities and Exchange Commission (the “SEC”) pursuant to the Registration Rights Agreement, is declared effective by the SEC and a final prospectus relating thereto is filed with the SEC, the Company will have the right, but not the obligation, from time to time at its sole discretion over the 24-month period from and after the Commencement, to direct B. Riley Principal Capital II to purchase a specified maximum amount of Shares, not to exceed certain limitations as set forth in the Purchase Agreement (each, a “VWAP Purchase”), by delivering written notice to B. Riley Principal Capital II prior to the commencement of trading of the Class A Common Stock on The Nasdaq Global Select Market (“Nasdaq”) on any trading day (the “Purchase Date”), so long as (i) the closing sale price of the Class A Common Stock on the trading day immediately prior to such Purchase Date is not less than a specified threshold price as set forth in the Purchase Agreement and (ii) all Shares subject to all prior VWAP Purchases and all prior Intraday VWAP Purchases (as defined below) by B. Riley Principal Capital II under the Purchase Agreement have been received by B. Riley Principal Capital II prior to the Company’s delivery of such applicable purchase notice to B. Riley Principal Capital II.

The purchase price of the Shares that the Company elects to sell to B. Riley Principal Capital II pursuant to the Purchase Agreement will be determined by reference to the volume weighted average price of the Class A Common Stock (“VWAP”), during the full regular trading hour period on Nasdaq on the applicable Purchase Date, calculated in accordance with the Purchase Agreement, or, if during such regular trading hour period, (i) the trading volume threshold calculated in accordance with the Purchase Agreement is reached or (ii) the trading price of a share of the Class A Common Stock on Nasdaq falls below a certain minimum price threshold as chosen in accordance with the Purchase Agreement, then only during the portion of the regular trading hour period on the applicable Purchase Date prior to the time such volume threshold is reached or the time such trading price of a share of the Class A Common Stock falls below the minimum price threshold, the precise commencement and ending times of such period determined in accordance with the Purchase Agreement (the “Purchase Valuation Period”), less a fixed 3.0% discount to the VWAP for such Purchase Valuation Period.

In addition to the regular VWAP Purchases described above, after the Commencement, the Company will also have the right, but not the obligation, subject to the continued satisfaction of the conditions set forth in the Purchase Agreement, to direct B. Riley Principal Capital II to purchase, on any trading day, including the same Purchase Date on which a regular VWAP Purchase is effected (as applicable), a specified amount of Shares, not to exceed certain limitations set forth in the Purchase Agreement that are similar to those that apply to a regular VWAP Purchase (each, an “Intraday VWAP Purchase”), by the delivery to B. Riley Principal Capital II of an irrevocable written purchase notice, after 10:00 a.m., New York City time, and prior to 3:00 p.m., New York City time, on such Purchase Date.

The per share purchase price for the Shares that the Company elects to sell to B. Riley Principal Capital II in an Intraday VWAP Purchase pursuant to the Purchase Agreement, if any, will be calculated in the same manner as in the case of a regular VWAP Purchase (including the same fixed percentage discounts to the applicable VWAP as in the case of a regular VWAP Purchase, as described above), provided that the VWAP for each Intraday VWAP Purchase effected on a Purchase Date will be calculated over different Purchase Valuation Periods on such Purchase Date, each of which will commence and end at different times on such Purchase Date (the “Intraday Purchase Valuation Period”).

There is no upper limit on the price per share that B. Riley Principal Capital II could be obligated to pay for the Shares the Company may elect to sell to it in any VWAP Purchase or any Intraday VWAP Purchase under the Purchase Agreement. The purchase price per share of the Shares that the Company may elect to sell to B. Riley Principal Capital II in a VWAP Purchase and an Intraday VWAP Purchase under the Purchase Agreement will be equitably adjusted for any reorganization, recapitalization, non-cash dividend, stock split, reverse stock split or other similar transaction occurring during the applicable Purchase Valuation Period for such VWAP Purchase or during the applicable Intraday Purchase Valuation Period for such Intraday VWAP Purchase.

From and after Commencement, the Company will control the timing and amount of any sales of the Shares to B. Riley Principal Capital II. Actual sales of Shares to B. Riley Principal Capital II under the Purchase Agreement will depend on a variety of factors to be determined by the Company from time to time, including, among other things, market conditions, the trading price of the Class A Common Stock and determinations by the Company as to the appropriate sources of funding for the Company and its operations.

Under the applicable Nasdaq rules, in no event may the Company issue to B. Riley Principal Capital II under the Purchase Agreement more than 53,059,650 shares of the Class A Common Stock, which number of shares is equal to 19.99% of the sum of the shares of the Class A Common Stock and shares of the Company's Class B common stock, par value \$0.0001, issued and outstanding immediately prior to the execution of the Purchase Agreement (the "Exchange Cap"), unless (i) the Company obtains stockholder approval to issue shares of the Class A Common Stock in excess of the Exchange Cap in accordance with the applicable Nasdaq rules, or (ii) the average price per share paid by B. Riley Principal Capital II for all of the Shares that the Company directs B. Riley Principal Capital II to purchase from us pursuant to the Purchase Agreement, if any, equals or exceeds \$1.424 per share (representing the lower of the official closing price of the Class A Common Stock on Nasdaq on the trading day immediately preceding the date of the Purchase Agreement and the average official closing price of the Class A Common Stock on Nasdaq for the five consecutive trading days ending on the trading day immediately preceding the date of the Purchase Agreement, as adjusted pursuant to applicable Nasdaq rules). Moreover, the Company may not issue or sell any shares of the Class A Common Stock to B. Riley Principal Capital II under the Purchase Agreement which, when aggregated with all other shares of the Class A Common Stock then beneficially owned by B. Riley Principal Capital II and its affiliates (as calculated pursuant to Section 13(d) of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), and Rule 13d-3 thereunder), would result in B. Riley Principal Capital II beneficially owning more than 4.99% of the outstanding shares of Class A Common Stock.

The net proceeds from sales, if any, under the Purchase Agreement, will depend on the frequency and prices at which the Company sells the Shares. To the extent the Company sells Shares under the Purchase Agreement, the Company currently plans to use any proceeds for working capital and general corporate purposes.

There are no restrictions on future financings, rights of first refusal, participation rights, penalties or liquidated damages in the Purchase Agreement or Registration Rights Agreement, other than a prohibition (with certain limited exceptions) on entering into specified "Variable Rate Transactions" (as such term is defined in the Purchase Agreement) during the term of the Purchase Agreement. Such transactions include, among others, the issuance of convertible securities with a conversion or exercise price that is based upon or varies with the trading price of the Class A Common Stock after the date of issuance, or the effecting or entering into an agreement to effect an "equity line of credit" or other substantially similar continuous offering with a third party, in which the Company may offer, issue or sell the Class A Common Stock or any securities exercisable, exchangeable or convertible into the Class A Common Stock at a future determined price.

B. Riley Principal Capital II has agreed not to engage in or effect, directly or indirectly, for its own principal account or for the principal account of any of its affiliates, any short sales of the Class A Common Stock or hedging transaction that establishes a net short position in the Class A Common Stock during the term of the Purchase Agreement.

The Purchase Agreement and the Registration Rights Agreement contain customary representations, warranties, conditions and indemnification obligations of the parties. The representations, warranties and covenants contained in such agreements were made only for the purposes of such agreements, were solely for the benefit of the parties to such agreements and may be subject to limitations agreed upon by the contracting parties.

The Purchase Agreement will automatically terminate on the earliest to occur of (i) the first day of the month next following the 24-month anniversary after the Commencement, (ii) the date on which B. Riley Principal Capital II shall have purchased \$100,000,000 of shares of Class A Common Stock from the Company under the Purchase Agreement, (iii) the date on which the Class A Common Stock shall have failed to be listed or quoted on a U.S. national securities exchange for a period of one trading day, (iv) the thirtieth trading day following the date on which the Company commences a voluntary bankruptcy proceeding or any person commences a proceeding against the Company, and (v) the date on which a custodian is appointed for the Company or for all or substantially all of its property, or the Company makes a general assignment for the benefit of its creditors.

The Company has the right to terminate the Purchase Agreement at any time after Commencement, at no cost or penalty, upon ten trading days' prior written notice to B. Riley Principal Capital II. The Company and B. Riley Principal Capital II may also agree to terminate the Purchase Agreement by mutual written consent, provided that no termination of the Purchase Agreement will be effective during the pendency of any VWAP Purchase or any Intraday VWAP Purchase that has not then fully settled in accordance with the Purchase Agreement. Neither the Company nor B. Riley Principal Capital II may assign or transfer its respective rights and obligations under the Purchase Agreement or the Registration Rights Agreement.

As consideration for B. Riley Principal Capital II's commitment to purchase shares of the Class A Common Stock at the Company's direction upon the terms and subject to the conditions set forth in the Purchase Agreement, upon execution of the Purchase Agreement, the Company issued 359,098 shares of the Class A Common Stock to B. Riley Principal Capital II. In addition, (i) upon the receipt by the Company of total aggregate gross cash proceeds equal to \$25,000,000 from B. Riley Principal Capital II under the Purchase Agreement (if any), the Company will issue 179,549 additional shares of the Class A Common Stock to B. Riley Principal Capital II as additional commitment shares, and (ii) upon the receipt by the Company of total aggregate gross cash proceeds equal to \$50,000,000 from B. Riley Principal Capital II under the Purchase Agreement (if any), the Company will issue an additional 179,548 shares of the Class A Common Stock to B. Riley Principal Capital II as additional commitment shares, totaling 359,097 additional commitment shares (in addition to the 359,098 initial commitment shares the Company issued to the B. Riley Principal Capital II upon execution of the Purchase Agreement). Furthermore, the Company has agreed to reimburse B. Riley Principal Capital II for the reasonable legal fees and disbursements of B. Riley Principal Capital II's legal counsel in an amount not to exceed (i) \$125,000 upon the execution of the Purchase Agreement and Registration Rights Agreement and (ii) \$7,500 per fiscal quarter, in each case in connection with the transactions contemplated by this Agreement and the Registration Rights Agreement and subject to the conditions in the Purchase Agreement.

The foregoing descriptions of the Purchase Agreement and the Registration Rights Agreement are qualified in their entirety by reference to the full text of the Purchase Agreement and the Registration Rights Agreement, which are attached to this Current Report on Form 8-K as Exhibit 10.1 and Exhibit 10.2, respectively, and each of which is incorporated herein by reference.

This Current Report on Form 8-K shall not constitute an offer to sell or a solicitation of an offer to buy any of the Company's common stock nor shall there be any sale of the Company's common stock in any state or jurisdiction in which such an offer, solicitation or sale would be unlawful prior to registration or qualification under the securities laws of any such state or other jurisdiction.

Item 3.02 Unregistered Sales of Equity Securities.

The information contained above in Item 1.01 is incorporated by reference into this Item 3.02.

The shares of Class A Common Stock that may be issued under the Purchase Agreement are being offered and sold in a transaction exempt from registration under the Securities Act, in reliance on exemptions provided for under Rule 506(b) and Section 4(a)(2) of the Securities Act. B. Riley Principal Capital II has represented to the

Company in the Purchase Agreement that it is an institutional “accredited investor,” as defined in Rule 501(a) of Regulation D under the Securities Act, and is acquiring such shares under the Purchase Agreement for investment purposes only and not with a view towards the public sale or distribution thereof in violation of applicable U.S. federal securities laws or applicable state securities or “Blue Sky” laws.

**ARTICLE II
PURCHASE AND SALE OF COMMON STOCK**

Section 2.1. Purchase and Sale of Stock. Upon the terms and subject to the conditions of this Agreement, during the Investment Period, the Company, in its sole discretion, shall have the right, but not the obligation, to issue and sell to the Investor, and the Investor shall purchase from the Company, up to the lesser of (i) \$100,000,000 (the “*Total Commitment*”) in aggregate gross purchase price of duly authorized, validly issued, fully paid and non-assessable shares of Common Stock and (ii) the Exchange Cap, to the extent applicable under Section 3.4 (such lesser amount of shares of Common Stock, the “*Aggregate Limit*”), by the delivery to the Investor of VWAP Purchase Notices and Intraday VWAP Purchase Notices as provided in Article III.

From and after the filing of the Current Report with the Commission, the Company shall have publicly disclosed all material, nonpublic information delivered to the Investor (or the Investor’s representatives or agents) by the Company or any of its Subsidiaries, or any of their respective officers, directors, employees, agents or representatives (if any) in connection with the transactions contemplated by the Transaction Documents. ARTICLE III PURCHASE TERMS

Subject to the satisfaction of the conditions set forth in Article VII, the parties agree as follows:

Section 3.1. VWAP Purchases. Upon the initial satisfaction of all of the conditions set forth in Section 7.2 (the “*Commencement*” and the date of initial satisfaction of all of such conditions, the “*Commencement Date*”) and from time to time thereafter, subject to the satisfaction of all of the conditions set forth in Section 7.3, the Company shall have the right, but not the obligation, to direct the Investor, by its timely delivery to the Investor of a VWAP Purchase Notice for a VWAP Purchase on the applicable Purchase Date therefor, to purchase a specified VWAP Purchase Share Amount, which shall not exceed the applicable VWAP Purchase Maximum Amount, at the applicable VWAP Purchase Price therefor on such Purchase Date in accordance with this Agreement (each such purchase, a “*VWAP Purchase*”). The Company may timely deliver to the Investor a VWAP Purchase Notice for a VWAP Purchase on any Trading Day selected by the Company as the Purchase Date for such VWAP Purchase, so long as (i) the Closing Sale Price of the Common Stock on the Trading Day immediately preceding such Purchase Date is not less than the Threshold Price, and (ii) all Shares subject to all prior VWAP Purchases and Intraday VWAP Purchases (as applicable) pursuant to this Agreement have been received by the Investor as DWAC Shares prior to the Company’s delivery to the Investor of such VWAP Purchase Notice for such VWAP Purchase on such Purchase Date. The Investor is obligated to accept each VWAP Purchase Notice prepared and delivered by the Company in accordance with the terms of and subject to the satisfaction of the conditions contained in this Agreement. If the Company delivers any VWAP Purchase Notice directing the Investor to purchase a VWAP Purchase Share Amount in excess of the applicable VWAP Purchase Maximum Amount that the Company is then permitted to include in such VWAP Purchase Notice, such VWAP Purchase Notice shall be void *ab initio* to the extent of the amount by which the VWAP Purchase Share Amount set forth in such VWAP Purchase Notice exceeds such applicable VWAP Purchase Maximum Amount, and the Investor shall have no obligation to purchase, and shall not purchase, such excess Shares pursuant to such VWAP Purchase Notice; provided, however, that the Investor shall remain obligated to purchase the applicable VWAP Purchase Maximum Amount

pursuant to such VWAP Purchase. At or prior to 5:30 p.m., New York City time, on the Purchase Date for each VWAP Purchase, the Investor shall provide to the Company, by email correspondence to each of the individual notice recipients of the Company set forth in the applicable VWAP Purchase Notice, a written confirmation for such VWAP Purchase, setting forth the applicable VWAP Purchase Price per Share to be paid by the Investor for the Shares purchased by the Investor in such VWAP Purchase, and the total aggregate VWAP Purchase Price to be paid by the Investor for the total VWAP Purchase Share Amount purchased by the Investor in such VWAP Purchase. Notwithstanding the foregoing, the Company shall not deliver any VWAP Purchase Notices to the Investor during the PEA Period, any Allowable Grace Period or any MPA Period.

Section 3.2. Intraday VWAP Purchases. Upon the initial satisfaction of all of the conditions set forth in Section 7.2 on the Commencement Date and from time to time thereafter, subject to the satisfaction of all of the conditions set forth in Section 7.3, in addition to VWAP Purchases as described in Section 3.1, the Company shall also have the right, but not the obligation, to direct the Investor, by its timely delivery to the Investor of an Intraday VWAP Purchase Notice on the applicable Purchase Date therefor, to purchase a specified Intraday VWAP Purchase Share Amount, which shall not exceed the applicable Intraday VWAP Purchase Maximum Amount, at the applicable Intraday VWAP Purchase Price therefor on such Purchase Date in accordance with this Agreement (each such purchase, an “*Intraday VWAP Purchase*”). The Company may timely deliver to the Investor an Intraday VWAP Purchase Notice for an Intraday VWAP Purchase on any Trading Day selected by the Company as the Purchase Date for such Intraday VWAP Purchase, so long as (i) the Closing Sale Price of the Common Stock on the Trading Day immediately preceding such Purchase Date is not less than the Threshold Price, and (ii) all Shares subject to all prior VWAP Purchases and Intraday VWAP Purchases (as applicable) have been received by the Investor as DWAC Shares prior to the Company’s delivery to the Investor of such Intraday VWAP Purchase Notice for such Intraday VWAP Purchase on such Purchase Date. The Investor is obligated to accept each Intraday VWAP Purchase Notice prepared and delivered by the Company in accordance with the terms of and subject to the satisfaction of the conditions contained in this Agreement. If the Company delivers any Intraday VWAP Purchase Notice directing the Investor to purchase an Intraday VWAP Purchase Share Amount in excess of the applicable Intraday VWAP Purchase Maximum Amount that the Company is then permitted to include in such Intraday VWAP Purchase Notice, such Intraday VWAP Purchase Notice shall be void *ab initio* to the extent of the amount by which the Intraday VWAP Purchase Share Amount set forth in such Intraday VWAP Purchase Notice exceeds such applicable Intraday VWAP Purchase Maximum Amount, and the Investor shall have no obligation to purchase, and shall not purchase, such excess Shares pursuant to such Intraday VWAP Purchase Notice; provided, however, that the Investor shall remain obligated to purchase the applicable Intraday VWAP Purchase Maximum Amount pursuant to such Intraday VWAP Purchase. At or prior to 5:30 p.m., New York City time, on the Purchase Date on which one or more Intraday VWAP Purchases shall have occurred, the Investor shall provide to the Company, by email correspondence to each of the individual notice recipients of the Company set forth in the applicable Intraday VWAP Purchase Notice, a written confirmation for each such Intraday VWAP Purchase, setting forth the applicable Intraday VWAP Purchase Price per Share to be paid by the Investor for the Shares purchased by the Investor in such Intraday VWAP Purchase, and the total aggregate Intraday VWAP Purchase Price to be paid by the Investor for the total Intraday VWAP Purchase Share Amount purchased by the Investor in such Intraday VWAP Purchase. Notwithstanding the foregoing, the Company shall not deliver any Intraday VWAP Purchase Notices to the Investor during the PEA Period, any Allowable Grace Period or any MPA Period.

Section 3.3. Settlement. The Shares constituting the applicable VWAP Purchase Share Amount purchased by the Investor in each VWAP Purchase, and the Shares constituting the applicable Intraday VWAP Purchase Share Amount purchased by the Investor in each Intraday VWAP Purchase (as applicable), in each case shall be delivered to the Investor as DWAC Shares not later than 1:00 p.m., New York City time, on the Trading Day immediately following the Purchase Date for such VWAP Purchase and for each such Intraday VWAP Purchase (as applicable) (the “**Purchase Share Delivery Date**”). For (a) each VWAP Purchase, the Investor shall pay to the Company an amount in cash equal to the product of (1) the total number of Shares purchased by the Investor in such VWAP Purchase and (2) the applicable VWAP Purchase Price for such Shares, as full payment for such Shares purchased by the Investor in such VWAP Purchase, and (b) each Intraday VWAP Purchase, the Investor shall pay to the Company an amount in cash equal to the product of (1) the total number of Shares purchased by the Investor in such Intraday VWAP Purchase and (2) the applicable Intraday VWAP Purchase Price for such Shares, as full payment for such Shares purchased by the Investor in such Intraday VWAP Purchase, in each case via wire transfer of immediately available funds, not later than 5:00 p.m., New York City time, on the Trading Day immediately following the applicable Purchase Share Delivery Date for such VWAP Purchase and for each such Intraday VWAP Purchase (as applicable), provided the Investor shall have timely received, as DWAC Shares, all of such Shares purchased by the Investor in such VWAP Purchase and such Intraday VWAP Purchase(s) (as applicable) on such Purchase Share Delivery Date in accordance with the first sentence of this Section 3.3, or, if any of such Shares are received by the Investor after 1:00 p.m., New York City time, then the Company’s receipt of such funds in its designated account may occur on the Trading Day next following the Trading Day on which the Investor shall have received all of such Shares as DWAC Shares, but not later than 5:00 p.m., New York City time, on such next Trading Day. If the Company or its transfer agent shall fail for any reason to deliver to the Investor, as DWAC Shares, any Shares purchased by the Investor in a VWAP Purchase or an Intraday VWAP Purchase prior to 10:00 a.m., New York City time, on the Trading Day immediately following the applicable Purchase Share Delivery Date for such VWAP Purchase and for each such Intraday VWAP Purchase (as applicable), and if on or after such Trading Day the Investor purchases (in an open market transaction or otherwise) shares of Common Stock to deliver in satisfaction of a sale by the Investor of such Shares that the Investor anticipated receiving from the Company on such Purchase Share Delivery Date in respect of such VWAP Purchase or such Intraday VWAP Purchase (as applicable), then the Company shall, within one (1) Trading Day after the Investor’s request, either (i) pay cash to the Investor in an amount equal to the Investor’s total purchase price (including brokerage commissions, if any) for the shares of Common Stock so purchased (the “**Cover Price**”), at which point the Company’s obligation to deliver such Shares as DWAC Shares shall terminate, or (ii) promptly honor its obligation to deliver to the Investor such Shares as DWAC Shares and pay cash to the Investor in an amount equal to the excess (if any) of the Cover Price over the total purchase price paid by the Investor pursuant to this Agreement for all of the Shares purchased by the Investor in such VWAP Purchase or such Intraday VWAP Purchase (as applicable). The Company shall not issue any fraction of a share of Common Stock to the Investor in connection with any VWAP Purchase or Intraday VWAP Purchase effected pursuant to this Agreement. If the issuance would result in the issuance of a fraction of a share of Common Stock, the Company shall round such fraction of a share of Common Stock up or down to the nearest whole share. All payments to be made by the Investor pursuant to this Agreement shall be made by wire transfer of immediately available funds to such account as the Company may from time to time designate by written notice to the Investor in accordance with the provisions of this Agreement.

Section 3.4. Compliance with Rules of Trading Market.

(a) **Exchange Cap.** Subject to Section 3.4(b), the Company shall not issue or sell any shares of Common Stock pursuant to this Agreement, and the Investor shall not purchase or acquire any shares of Common Stock pursuant to this Agreement, to the extent that after giving effect thereto, the aggregate number of shares of Common Stock that would be issued pursuant to this Agreement and the transactions contemplated hereby would exceed 53,059,650 shares of Common Stock (such number of shares equal to 19.99% of the aggregate number of shares of Common Stock and shares of the Company's Class B common stock, par value \$0.0001 per share, combined, issued and outstanding immediately prior to the execution of this Agreement), which number of shares shall be reduced, on a share-for-share basis, by the number of shares of Common Stock issued or issuable pursuant to any transaction or series of transactions that may be aggregated with the transactions contemplated by this Agreement under applicable rules of the Trading Market (such maximum number of shares of Common Stock, the "**Exchange Cap**"), unless the Company's stockholders have approved the issuance of Common Stock pursuant to this Agreement in excess of the Exchange Cap in accordance with the applicable rules of the Trading Market. For the avoidance of doubt, the Company may, but shall be under no obligation to, request its stockholders to approve the issuance of Common Stock pursuant to this Agreement; provided, that if such stockholder approval is not obtained, the Exchange Cap shall be applicable for all purposes of this Agreement and the transactions contemplated hereby at all times during the term of this Agreement (except as set forth in Section 3.4(b)).

(b) **At-Market Transaction.** Notwithstanding Section 3.4(a) above, the Exchange Cap shall not be applicable for any purposes of this Agreement and the transactions contemplated hereby, solely to the extent that (and only for so long as) the Average Price shall equal or exceed the Base Price (it being hereby acknowledged and agreed that the Exchange Cap shall be applicable for all purposes of this Agreement and the transactions contemplated hereby at all other times during the term of this Agreement, unless the stockholder approval referred to in Section 3.4(a) is obtained). The parties acknowledge and agree that the Minimum Price used to determine the Base Price hereunder represents the lower of (i) the Nasdaq official closing price of the Common Stock on the Trading Market (as reflected on Nasdaq.com) on the Trading Day immediately prior to the date of this Agreement and (ii) the average Nasdaq official closing price of the Common Stock on the Trading Market (as reflected on Nasdaq.com) for the five (5) consecutive Trading Days ending on the Trading Day immediately prior to the date of this Agreement.

(c) **General.** The Company shall not issue or sell any shares of Common Stock pursuant to this Agreement if such issuance or sale would reasonably be expected to result in (A) a violation of the Securities Act or (B) a breach of the rules of the Trading Market. The provisions of this Section 3.4 shall be implemented in a manner otherwise than in strict conformity with the terms of this Section 3.4 only if necessary to ensure compliance with the Securities Act and the applicable rules of the Trading Market.

Section 3.5. Beneficial Ownership Limitation. Notwithstanding anything to the contrary contained in this Agreement, the Company shall not issue or sell, and the Investor shall not purchase or acquire, any shares of Common Stock under this Agreement which, when aggregated with all other shares of Common Stock then beneficially owned by the Investor and its Affiliates (as calculated pursuant to Section 13(d) of the Exchange Act and Rule 13d-3 promulgated thereunder), would result in the beneficial ownership by the Investor of more than 4.99% of the outstanding shares of Common Stock (the “**Beneficial Ownership Limitation**”). Upon the written request of the Investor, the Company shall promptly (but not later than the next business day on which the Company’s transfer agent is open for business) confirm orally or in writing to the Investor the number of shares of Common Stock then outstanding. The Investor and the Company shall each cooperate in good faith in the determinations required under this Section 3.5 and the application of this Section 3.5. The Investor’s written certification to the Company of the applicability of the Beneficial Ownership Limitation, and the resulting effect thereof hereunder at any time, shall be conclusive with respect to the applicability thereof and such result absent manifest error. The provisions of this Section 3.5 shall be construed and implemented in a manner otherwise than in strict conformity with the terms of this Section 3.5 to the extent necessary to properly give effect to the limitations contained in this Section 3.5.

ARTICLE IV REPRESENTATIONS, WARRANTIES AND COVENANTS OF THE INVESTOR

The Investor hereby makes the following representations, warranties and covenants to the Company:

Section 4.1. Organization and Standing of the Investor. The Investor is a limited liability company duly organized, validly existing and in good standing under the laws of the State of Delaware.

Section 4.2. Authorization and Power. The Investor has the requisite limited liability company power and authority to enter into and perform its obligations under this Agreement and the Registration Rights Agreement and to purchase or acquire the Securities in accordance with the terms hereof. The execution, delivery and performance by the Investor of this Agreement and the Registration Rights Agreement and the consummation by it of the transactions contemplated hereby and thereby have been duly authorized by all necessary limited liability company action, and no further consent or authorization of the Investor, its officers or its sole member is required. Each of this Agreement and the Registration Rights Agreement has been duly executed and delivered by the Investor and constitutes a valid and binding obligation of the Investor enforceable against it in accordance with its terms, except as such enforceability may be limited by applicable bankruptcy, insolvency, reorganization, moratorium, liquidation, conservatorship, receivership, or similar laws relating to, or affecting generally the enforcement of, creditor’s rights and remedies or by other equitable principles of general application (including any limitation of equitable remedies).

Section 4.3. No Conflicts. The execution, delivery and performance by the Investor of this Agreement and the Registration Rights Agreement and the consummation by the Investor of the transactions contemplated hereby and thereby do not and shall not (i) result in a violation of such Investor’s certificate of formation, limited liability company agreement or other applicable

organizational instruments, (ii) conflict with, constitute a default (or an event which, with notice or lapse of time or both, would become a default) under, or give rise to any rights of termination, amendment, acceleration or cancellation of, any material agreement, mortgage, deed of trust, indenture, note, bond, license, lease agreement, instrument or obligation to which the Investor is a party or is bound, (iii) create or impose any lien, charge or encumbrance on any property of the Investor under any agreement or any commitment to which the Investor is party or under which the Investor is bound or under which any of its properties or assets are bound, or (iv) result in a violation of any federal, state, local or foreign statute, rule, or regulation, or any order, judgment or decree of any Governmental Authority applicable to the Investor or by which any of its properties or assets are bound or affected, except, in the case of clauses (ii), (iii) and (iv), for such conflicts, defaults, terminations, amendments, acceleration, cancellations and violations as would not, individually or in the aggregate, prohibit or otherwise interfere with, in any material respect, the ability of the Investor to enter into and perform its obligations under this Agreement and the Registration Rights Agreement. The Investor is not required under any applicable federal, state or local law, rule or regulation to obtain any consent, authorization or order of, or make any filing or registration with, any Governmental Authority in order for it to execute, deliver or perform any of its obligations under this Agreement and the Registration Rights Agreement or to purchase or acquire the Securities in accordance with the terms hereof, other than as may be required by FINRA; provided, however, that for purposes of the representation made in this sentence, the Investor is assuming and relying upon the accuracy of the relevant representations and warranties and the compliance with the relevant covenants and agreements of the Company in the Transaction Documents to which it is a party.

Section 4.4. Investment Purpose. The Investor is acquiring the Securities for its own account, for investment purposes and not with a view towards, or for resale in connection with, the public sale or distribution thereof, in violation of the Securities Act or any applicable state securities laws; provided, however, that by making the representations herein, the Investor does not agree, or make any representation or warranty, to hold any of the Securities for any minimum or other specific term and reserves the right to dispose of the Securities at any time in accordance with, or pursuant to, a registration statement filed pursuant to the Registration Rights Agreement or an applicable exemption under the Securities Act. The Investor does not presently have any agreement or understanding, directly or indirectly, with any Person to sell or distribute any of the Securities. The Investor is acquiring the Securities hereunder in the ordinary course of its business.

Section 4.5. Accredited Investor Status. The Investor is an “accredited investor” as that term is defined in Rule 501(a) of Regulation D.

Section 4.6. Reliance on Exemptions. The Investor understands that the Securities are being offered and sold to it in reliance on specific exemptions from the registration requirements of U.S. federal and state securities laws and that the Company is relying in part upon the truth and accuracy of, and the Investor’s compliance with, the representations, warranties, agreements, acknowledgments and understandings of the Investor set forth herein in order to determine the availability of such exemptions and the eligibility of the Investor to acquire the Securities.

Section 4.7. Information. All materials relating to the business, financial condition, management and operations of the Company and materials relating to the offer and sale of the Securities which have been requested by the Investor have been furnished or otherwise made available to the Investor or its advisors, including, without limitation, the Commission Documents. The Investor understands that its investment in the Securities involves a high degree of risk. The Investor is able to bear the economic risk of an investment in the Securities and has such knowledge and experience in financial and business matters that it is capable of evaluating the merits and risks of a proposed investment in the Securities. The Investor and its advisors have been afforded the opportunity to ask questions of and receive answers from representatives of the Company concerning the financial condition and business of the Company and other matters relating to an investment in the Securities. Neither such inquiries nor any other due diligence investigations conducted by the Investor or its advisors, if any, or its representatives shall modify, amend or affect the Investor's right to rely on the Company's representations and warranties contained in this Agreement or in any other Transaction Document to which the Company is a party or the Investor's right to rely on any other document or instrument executed and/or delivered in connection with this Agreement or the consummation of the transaction contemplated hereby (including, without limitation, the opinions of the Company's counsel delivered pursuant to Sections 7.1(iv), 7.2(xvi) and 7.3(x)). The Investor has sought such accounting, legal and tax advice as it has considered necessary to make an informed investment decision with respect to its acquisition of the Securities. The Investor understands that it (and not the Company) shall be responsible for its own tax liabilities that may arise as a result of this investment or the transactions contemplated by this Agreement.

Section 4.8. No Governmental Review. The Investor understands that no United States federal or state agency or any other government or Governmental Authority has passed on or made any recommendation or endorsement of the Securities or the fairness or suitability of an investment in the Securities nor have such authorities passed upon or endorsed the merits of the offering of the Securities.

Section 4.9. No General Solicitation. The Investor is not purchasing or acquiring the Securities as a result of any form of general solicitation or general advertising (within the meaning of Regulation D) in connection with the offer or sale of the Securities.

Section 4.10. Not an Affiliate. The Investor is not an officer, director or an Affiliate of the Company. As of the date of this Agreement, the Investor does not beneficially own any shares of Common Stock or securities exercisable for or convertible into shares of Common Stock, other than the Initial Commitment Shares. During the Investment Period, the Investor will not acquire for its own account any shares of Common Stock or securities exercisable for or convertible into shares of Common Stock, other than pursuant to this Agreement; provided, however, that nothing in this Agreement shall prohibit or be deemed to prohibit the Investor from purchasing, in an open market transaction or otherwise, shares of Common Stock necessary to make delivery by the Investor in satisfaction of a sale by the Investor of Shares that the Investor anticipated receiving from the Company in connection with the settlement of a VWAP Purchase or an Intraday VWAP Purchase (as applicable) if the Company or its transfer agent shall have failed for any reason (other than a failure of the Investor or its Broker-Dealer to set up a DWAC and required instructions) to electronically transfer all of the Shares subject to such VWAP Purchase or such Intraday VWAP Purchase (as applicable) to the Investor on the applicable Purchase Share Delivery Date by crediting the Investor's or its designated Broker-Dealer's account at DTC through its DWAC delivery system in compliance with Section 3.3 of this Agreement. For the avoidance of doubt, the foregoing restriction does not apply to any Affiliate of the Investor, provided that any such purchases do not cause the Investor to violate any applicable Exchange Act requirement, including Regulation M.

Section 4.11. No Prior Short Sales. At no time prior to the date of this Agreement has the Investor, its sole member, any of their respective officers, or any entity managed or controlled by the Investor or its sole member, engaged in or effected, in any manner whatsoever, directly or indirectly, for its own account or for the account of any of its Affiliates, any (i) “short sale” (as such term is defined in Rule 200 of Regulation SHO of the Exchange Act) of the Common Stock or (ii) hedging transaction, which establishes a net short position with respect to the Common Stock.

Section 4.12. Statutory Underwriter Status. The Investor acknowledges that it will be disclosed as an “underwriter” and a “selling stockholder” in each Registration Statement and in any Prospectus contained therein to the extent required by applicable law and to the extent the Prospectus is related to the resale of Registrable Securities.

Section 4.13. Resales of Securities. The Investor represents, warrants and covenants that it will resell Securities purchased or acquired by the Investor from the Company pursuant to this Agreement only pursuant to the Registration Statement in which the resale of such Securities is registered under the Securities Act and the Prospectus contained therein, in a manner described under the caption “Plan of Distribution” in such Registration Statement and Prospectus, and in a manner in compliance with all applicable U.S. federal and applicable state securities laws, rules and regulations.

ARTICLE V REPRESENTATIONS, WARRANTIES AND COVENANTS OF THE COMPANY

Except as set forth in the disclosure schedule delivered by the Company to the Investor (which is hereby incorporated by reference in, and constitutes an integral part of, this Agreement) (the “*Disclosure Schedule*”), the Company hereby makes the following representations, warranties and covenants to the Investor:

Section 5.1. Organization, Good Standing and Power. The Company is a corporation duly organized, validly existing and in good standing under the laws of the State of Delaware and has the corporate power and authority to own, lease or operate its assets and properties and to conduct its business as now being conducted. The Company is duly licensed or qualified to do business and in good standing (or equivalent status as applicable) in each jurisdiction in which the assets owned or leased by it or the character of its activities require it to be licensed or qualified or in good standing (or equivalent status as applicable), except where the failure to be so licensed or qualified, individually or in the aggregate, has not had and would not reasonably be expected to have a Material Adverse Effect.

Section 5.2. Authorization, Enforcement. The Company has the requisite corporate power and authority to enter into and perform its obligations under each of the Transaction Documents to which it is a party and to issue the Securities in accordance with the terms hereof and thereof. Except for approvals of the Company’s Board of Directors or a committee thereof as may be required in connection with any issuance and sale of Shares to the Investor hereunder

(which approvals shall be obtained prior to the delivery of any VWAP Purchase Notice and any Intraday VWAP Purchase Notice), the execution, delivery and performance by the Company of each of the Transaction Documents to which it is a party and the consummation by it of the transactions contemplated hereby and thereby have been duly and validly authorized by all necessary corporate action, and no further consent or authorization of the Company, its Board of Directors or its stockholders is required, except that to the extent the Exchange Cap is applicable under Section 3.4, the Company may not issue any shares of Common Stock under this Agreement in excess of the Exchange Cap without first obtaining the approval of its stockholders. Each of the Transaction Documents to which the Company is a party has been duly executed and delivered by the Company and constitutes a valid and binding obligation of the Company enforceable against the Company in accordance with its terms, except as such enforceability may be limited by applicable bankruptcy, insolvency, reorganization, moratorium, liquidation, conservatorship, receivership or similar laws relating to, or affecting generally the enforcement of, creditor's rights and remedies or by other equitable principles of general application (including any limitation of equitable remedies).

Section 5.3. Capitalization. The authorized capital stock of the Company and the shares thereof issued and outstanding were as set forth in the Commission Documents as of the dates reflected therein. All of the outstanding shares of Common Stock have been duly authorized and validly issued, and are fully paid and non-assessable. Except as set forth in the Commission Documents, this Agreement and the Registration Rights Agreement, there are no agreements or arrangements under which the Company is obligated to register the sale of any securities under the Securities Act. Except as set forth in the Commission Documents, no shares of Common Stock are entitled to preemptive rights and there are no outstanding debt securities and no contracts, commitments, understandings, or arrangements by which the Company is or may become bound to issue additional shares of the capital stock of the Company or options, warrants, scrip, rights to subscribe to, calls or commitments of any character whatsoever relating to, or securities or rights convertible into or exchangeable for, any shares of capital stock of the Company other than those issued or granted in the ordinary course of business pursuant to the Company's equity incentive and/or compensatory plans or arrangements. Except for customary transfer restrictions contained in agreements entered into by the Company to sell restricted securities or as set forth in the Commission Documents, the Company is not a party to, and it has no Knowledge of, any agreement restricting the voting or transfer of any shares of the capital stock of the Company. Except as set forth in the Commission Documents, there are no securities or instruments containing anti-dilution or similar provisions that will be triggered by this Agreement, the Registration Rights Agreement or any of the other Transaction Documents, or the consummation of the transactions described herein or therein. The Company has filed with the Commission true and correct copies of the Company's Second Amended and Restated Certificate of Incorporation as in effect on the Closing Date (the "*Charter*"), and the Company's Amended and Restated Bylaws as in effect on the Closing Date (the "*Bylaws*").

Section 5.4. Issuance of Securities. The Commitment Shares have been, and the Shares to be issued under this Agreement have been, or with respect to Shares to be purchased by the Investor pursuant to a particular VWAP Purchase Notice or pursuant to a particular Intraday VWAP Purchase Notice (as applicable), will be, prior to the delivery to the Investor hereunder of such VWAP Purchase Notice and prior to the delivery to the Investor hereunder of such Intraday VWAP Purchase Notice (as applicable), duly authorized by all necessary corporate action on the

part of the Company. The Commitment Shares, when issued to the Investor in accordance with this Agreement, and the Shares, when issued and sold against payment therefor in accordance with this Agreement, shall be validly issued and outstanding, fully paid and non-assessable and free from all liens, charges, taxes, security interests, encumbrances, rights of first refusal, preemptive or similar rights and other encumbrances with respect to the issue thereof, and the Investor shall be entitled to all rights accorded to a holder of Common Stock. An aggregate of 52,341,455 shares of Common Stock have been duly authorized and reserved by the Company for issuance and sale to the Investor as Shares pursuant to VWAP Purchases and Intraday VWAP Purchases under this Agreement. An aggregate of 359,097 shares of Common Stock have been duly authorized and reserved by the Company for issuance to the Investor as Additional Commitment Shares pursuant to this Agreement.

Section 5.5. No Conflicts. The execution, delivery and performance by the Company of each of the Transaction Documents to which it is a party and the consummation by the Company of the transactions contemplated hereby and thereby do not and shall not (i) result in a violation of any provision of the Company's Charter or Bylaws, (ii) to the Knowledge of the Company, result in a breach or violation of any of the terms or provisions of, or constitute a default (or an event which, with notice or lapse of time or both, would become a default) under, or give rise to any rights of termination, amendment, acceleration or cancellation of, any agreement, mortgage, deed of trust, indenture, note, bond, license, lease agreement, instrument or obligation to which the Company or any of its Subsidiaries is a party or is bound, (iii) create or impose a lien, charge or encumbrance on any property or assets of the Company or any of its Subsidiaries under any agreement to which the Company or any of its Subsidiaries is a party or by which the Company or any of its Subsidiaries is bound or to which any of their respective properties or assets is subject, or (iv) result in a violation of any federal, state, local or foreign statute, rule, regulation, order, judgment or decree applicable to the Company or any of its Subsidiaries or by which any property or asset of the Company or any of its Subsidiaries are bound or affected (including federal and state securities laws and regulations and the rules and regulations of the Trading Market or applicable Eligible Market), except, in the case of clauses (ii), (iii) and (iv), for such conflicts, defaults, terminations, amendments, acceleration, cancellations, liens, charges, encumbrances and violations as would not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect. Except as specifically contemplated by this Agreement or the Registration Rights Agreement and as required under the Securities Act and any applicable state securities laws, the Company is not required under any federal, state, local or foreign law, rule or regulation to obtain any consent, authorization or order of, or make any filing or registration with, any Governmental Authority (including, without limitation, the Trading Market) in order for it to execute, deliver or perform any of its obligations under the Transaction Documents to which it is a party, or to issue the Securities to the Investor in accordance with the terms hereof and thereof (other than such consents, authorizations, orders, filings or registrations as have been obtained or made prior to the Closing Date); provided, however, that, for purposes of the representation made in this sentence, the Company is assuming and relying upon the accuracy of the representations and warranties of the Investor in this Agreement and the compliance by it with its covenants and agreements contained in this Agreement and the Registration Rights Agreement.

Section 5.6. Commission Documents, Financial Statements; Disclosure Controls and Procedures; Internal Controls Over Financial Reporting; Accountants.

(a) Since July 1, 2021, except as set forth in the Commission Documents, the Company has timely filed (giving effect to permissible extensions in accordance with Rule 12b-25 under the Exchange Act) all Commission Documents required to be filed with or furnished to the Commission by the Company under the Securities Act or the Exchange Act, including those required to be filed with or furnished to the Commission under Section 13(a) or Section 15(d) of the Exchange Act. As of the Closing Date, no Subsidiary of the Company is required to file or furnish any report, schedule, registration, form, statement, information or other document with the Commission. As of its filing date (or, if amended or superseded by a filing prior to the Closing Date, as of the date of such amended or superseded filing), each Commission Document filed with or furnished to the Commission prior to the Closing Date complied in all material respects with the requirements of the Securities Act or the Exchange Act, as applicable. Each Registration Statement, on the date it is filed with the Commission, on the date it is declared effective by the Commission and on each Purchase Date, shall comply in all material respects with the requirements of the Securities Act (including, without limitation, Rule 415 under the Securities Act) and shall not contain any untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary in order to make the statements therein not misleading, except that this representation and warranty shall not apply to statements in or omissions from such Registration Statement made in reliance upon and in conformity with information relating to the Investor furnished to the Company in writing by or on behalf of the Investor expressly for use therein. The Prospectus and each Prospectus Supplement required to be filed pursuant to this Agreement or the Registration Rights Agreement after the Closing Date, when taken together, on its date and on each Purchase Date, shall comply in all material respects with the requirements of the Securities Act (including, without limitation, Rule 424(b) under the Securities Act) and shall not contain any untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary in order to make the statements therein, in light of the circumstances under which they were made, not misleading, except that this representation and warranty shall not apply to statements in or omissions from the Prospectus or any Prospectus Supplement made in reliance upon and in conformity with information relating to the Investor furnished to the Company in writing by or on behalf of the Investor expressly for use therein. The Company has delivered or made available to the Investor via EDGAR or otherwise true and complete copies of all comment letters and substantive correspondence received by the Company from the Commission relating to the Commission Documents filed with or furnished to the Commission as of the Closing Date, together with all written responses of the Company thereto in the form such responses were filed via EDGAR. Except as disclosed in the Commission Documents, there are no outstanding or unresolved comments or undertakings in such comment letters received by the Company from the Commission. The Commission has not issued any stop order or other order suspending the effectiveness of any registration statement filed by the Company under the Securities Act or the Exchange Act.

(b) The consolidated financial statements of the Company included or incorporated by reference in the Commission Documents, together with the related notes and schedules, present fairly, in all material respects, the consolidated financial position of the Company and the Subsidiaries (as defined below) as of the dates indicated and the consolidated results of operations, cash flows and changes in stockholders' equity of the Company and the Subsidiaries for the periods specified (subject, in the case of unaudited statements, to normal year-end audit adjustments which will not be material, either individually or in the aggregate) and have been prepared in compliance with the published requirements of the Securities Act and the Exchange Act, as applicable, and in conformity with generally accepted accounting principles in the United States ("**GAAP**") applied on a consistent basis (except (i) for such adjustments to accounting standards and practices as are noted therein and (ii) in the case of unaudited interim statements, to the extent they may exclude footnotes or may be condensed or summary statements) during the periods involved. The pro forma financial statements or data included or incorporated by reference in the Commission Documents, if any, comply with the requirements of Regulation S-X of the Securities Act, including, without limitation, Article 11 thereof, and the assumptions used in the preparation of such pro forma financial statements and data are reasonable, the pro forma adjustments used therein are appropriate to give effect to the circumstances referred to therein and the pro forma adjustments have been properly applied to the historical amounts in the compilation of those statements and data. The other financial and statistical data with respect to the Company and the Subsidiaries contained or incorporated by reference in the Commission Documents, if any, are accurately and fairly presented and prepared on a basis consistent with the financial statements and books and records of the Company. There are no financial statements (historical or pro forma) that are required to be included or incorporated by reference in the Commission Documents that are not included or incorporated by reference as required. The Company and the Subsidiaries do not have any material liabilities or obligations, direct or contingent (including any off-balance sheet obligations or any "variable interest entities" as that term is used in Accounting Standards Codification Paragraph 810-10-25-20), not described in Commission Documents which are required to be described in the Commission Documents. All disclosures contained or incorporated by reference in the Commission Documents, if any, regarding "non-GAAP financial measures" (as such term is defined by the rules and regulations of the Commission) comply in all material respects with Regulation G of the Exchange Act and Item 10 of Regulation S-K under the Securities Act, to the extent applicable.

(c) Except as set forth in the Commission Documents, the Company maintains a system of internal accounting controls sufficient to provide reasonable assurance that (i) transactions are executed in accordance with management's general or specific authorizations; (ii) transactions are recorded as necessary to permit preparation of financial statements in conformity with GAAP and to maintain asset accountability; (iii) access to assets is permitted only in accordance with management's general or specific authorization; and (iv) the recorded accountability for assets is compared with the existing assets at reasonable intervals and appropriate action is taken with respect to any differences. Except as set forth in the Commission Documents, the Company is not aware of any material weaknesses in its internal control over financial reporting. Except as set forth in the Commission Documents, since the date of the latest audited financial statements of the Company included in the 2021 Form 10-K, there has been no

change in the Company's internal control over financial reporting that has materially and adversely affected, or is reasonably likely to materially and adversely affect, the Company's internal control over financial reporting. Except as set forth in the Commission Documents, the Company has established disclosure controls and procedures (as defined in Exchange Act Rules 13a-15 and 15d-15) that comply with the requirements of the Exchange Act. The Company's certifying officers have evaluated the effectiveness of the Company's controls and procedures as of a date within 90 days prior to the filing date of the Form 10-K for the fiscal year most recently ended (such date, the "**Evaluation Date**"). The Company presented in its Form 10-K for the fiscal year most recently ended the conclusions of the certifying officers about the effectiveness of the disclosure controls and procedures based on their evaluations as of the most recent Evaluation Date and, except as set forth in such Form 10-K or any Commission Document filed with the Commission for a period subsequent to the period covered by such Form 10-K, the "disclosure controls and procedures" are effective.

To the Company's knowledge, the Accountant is not in violation of the auditor independence requirements of the Sarbanes-Oxley Act of 2002 (the "**Sarbanes-Oxley Act**") with respect to the Company.

(e) Since July 1, 2021, except as set forth in the Commission Documents, the Company has timely filed all certifications and statements the Company is required to file under (i) Rule 13a-14 or Rule 15d-14 under the Exchange Act or (ii) 18 U.S.C. Each Subsidiary of the Company has been duly formed or organized, is validly existing under the applicable laws of its jurisdiction of incorporation or organization and has the organizational power and authority to own, lease and operate its assets and properties and to conduct its business as it is now being conducted, except as would not reasonably be expected to have a Material Adverse Effect. Each of the Company's Subsidiaries is duly licensed or qualified and in good standing (or equivalent status as applicable) as a foreign corporation (or other entity, if applicable) in each jurisdiction in which the assets owned or leased by it or the character of its activities require it to be licensed or qualified or in good standing (or equivalent status as applicable), except where the failure to be so licensed or qualified, individually or in the aggregate, has not had and would not reasonably be expected to have a Material Adverse Effect. No Subsidiary of the Company is currently prohibited, directly or indirectly, from paying any dividends to the Company, from making any other distribution on such Subsidiary's capital stock, from repaying to the Company any loans or advances to such Subsidiary from the Company or from transferring any of such Subsidiary's property or assets to the Company or any other Subsidiary of the Company, except as described in or contemplated by the Commission Documents or as would not reasonably be expected to have a Material Adverse Effect.

Section 5.8. No Material Adverse Effect or Material Adverse Change. Except as otherwise disclosed in any Commission Documents, since December 31, 2021: (i) the Company has not experienced or suffered any Material Adverse Effect, and there exists no current state of facts, condition or event which would reasonably be expected to have a Material Adverse Effect; (ii) there has not occurred any material adverse change, or any development that would reasonably be expected to result in a prospective material adverse change, in the condition, financial or otherwise, or in the earnings, business or operations of the Company from that set forth in the Commission Documents, including, without limitation, as a result of the COVID-19 pandemic, or as a result of any measures intended to contain the COVID-19 pandemic imposed by any Governmental Authority in any country or region in which the Company has assets or properties or conducts business, including, without limitation, any limitations, curtailments, suspensions or closures of businesses, business offices or establishments, schools, properties and other public areas due to quarantines, curfews, travel restrictions, workplace controls, “stay-at-home” orders, social distancing requirements or guidelines or other public gathering restrictions or limitations, directives or recommendations promulgated by any Governmental Authority, including the Centers for Disease Control and Prevention and the World Health Organization, in each case, in connection with or in response to the COVID-19 pandemic; (iii) neither the Company nor any of its Subsidiaries has incurred any material liability or obligation, direct or contingent, nor entered into any material transaction; (iv) the Company has not purchased any of its outstanding capital stock, nor declared, paid or otherwise made any dividend or distribution of any kind on its capital stock other than ordinary and customary dividends; and (v) there has not been any material change in the capital stock, short-term debt or long-term debt of the Company.

Section 5.9. No Undisclosed Liabilities. Neither the Company nor any of its Subsidiaries has any liabilities, obligations, claims or losses (whether liquidated or unliquidated, secured or unsecured, absolute, accrued, contingent or otherwise) that would be required to be disclosed on a balance sheet of the Company or any Subsidiary (including the notes thereto) in conformity with GAAP and are not disclosed in the Commission Documents, other than those incurred in the ordinary course of the Company’s or its Subsidiaries respective businesses since December 31, 2021 and which, individually or in the aggregate, would not reasonably be expected to have a Material Adverse Effect.

Section 5.10. No Material Defaults. Since December 31, 2021, neither the Company nor any of its Subsidiaries (i) has failed to pay any dividend or sinking fund installment on preferred stock or (ii) has defaulted on any installment on Indebtedness or on any rental on one or more long-term real or personal property leases, which defaults, individually or in the aggregate, would reasonably be expected to have a Material Adverse Effect, and the Company has not filed a report pursuant to Section 13(a) or 15(d) of the Exchange Act disclosing that it or any of its Subsidiaries has failed to make any such payments or has so defaulted.

Section 5.11. Solvency. The Company has not taken any steps, and does not currently expect to take any steps, to seek protection pursuant to any Bankruptcy Law, nor does the Company have any Knowledge that its creditors intend to initiate involuntary bankruptcy, insolvency, reorganization or liquidation proceedings or other proceedings for relief under any Bankruptcy Law. The Company and its Subsidiaries are financially solvent and are generally able to pay their respective debts as they become due.

Section 5.12. Title To Assets. Each of the Company and its Subsidiaries have good and marketable title to all real property owned by them, if any, and good and marketable title to all personal property reflected as owned by them in the financial statements, supporting schedules or other financial data filed with the Commission as a part of the Commission Documents, in each case free and clear of all liens, security interests, pledges, charges, encumbrances, mortgages, equities, adverse claims and other defects, except (i) such as are disclosed in the Commission Documents, (ii) such as are entered into in the ordinary course of business, or (iii) such as do not materially and adversely affect the value of such property and do not interfere with the use made or proposed to be made of such property by the Company and its Subsidiaries; and any Leased Real Property, improvements, buildings, equipment and personal property held under lease by the Company or any Subsidiary of the Company are held under valid, existing and enforceable leases, with such exceptions as are disclosed in the Commission Documents or are not material and do not interfere with the use made or proposed to be made of such real property, improvements, buildings, equipment and personal property by the Company or such Subsidiary.

Section 5.13. Actions Pending. Except as disclosed in the Commission Documents, there are no pending or, to the Knowledge of the Company, threatened, Actions and, to the Knowledge of the Company, there are no pending or threatened investigations against the Company or any of its Subsidiaries, or otherwise affecting the Company or any of its Subsidiaries, or any of their respective assets, including any condemnation or similar proceedings, that would, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect. Neither the Company or any of its Subsidiaries, nor any of their respective properties, assets or businesses, is subject to any Governmental Order, or, to the Knowledge of the Company, any continuing investigation by, any Governmental Authority, in each case that would, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect. There is no unsatisfied judgment or any open injunction binding upon the Company or any of its Subsidiaries, which would, individually or in the aggregate, reasonably be expected to have a material adverse effect on the ability of the Company to consummate the transactions contemplated by this Agreement, the Registration Rights Agreement and the other Transaction Documents.

Section 5.14. Compliance With Laws. Except (i) with respect to compliance with Environmental Laws (as to which certain representations and warranties are made pursuant to Section 5.18) and (ii) where the failure to be, or to have been, in compliance with such Laws would not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect, the Company and its Subsidiaries are, and since December 31, 2021 have been, in compliance in all material respects with all applicable Laws. The Company has not received any written notice from any Governmental Authority of a violation of any applicable Law by the Company or any of its Subsidiaries at any time since December 31, 2021, which violation would, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect. Except where the failure to have or to comply would not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect, each of the Company and its Subsidiaries: (i) is in compliance in all material respects with all Laws applicable to its business, operations, and assets, including the Federal Aviation Regulations, and any other applicable rules, regulations, directives or policies of the DOT and/or FAA; (ii) has all material Permits required to own, lease or operate

Except for Governmental Orders in connection with the requirements of any Government Contract, neither the Company nor any of its Subsidiaries is a party to or bound by any Governmental Order. To the Company's Knowledge, except as disclosed in the Commission Documents, neither the Company nor any of its Subsidiaries is under investigation with respect to the violation of any Laws, and there are no facts or circumstances which could reasonably form the basis for any such violation. There are no statutes, laws, rules, regulations or ordinances of any Governmental Authority, self-regulatory organization or body that are material to the Company or any of its Subsidiaries or to their respective businesses, assets or properties that are required to be described in any Commission Document that are not described therein as required.

Section 5.15. Certain Fees. No brokerage or finder's fees or commissions are or will be payable by the Company to any broker, financial advisor or consultant, finder, placement agent, investment banker, bank or other Person with respect to the transactions contemplated by the Transaction Documents. The Investor shall have no obligation with respect to any fees or with respect to any claims made by or on behalf of other Persons for fees of a type contemplated in this Section 5.15 incurred by the Company or its Subsidiaries that may be due or payable in connection with the transactions contemplated by the Transaction Documents.

Section 5.16. Disclosure. The Company confirms that neither it nor any other Person acting on its behalf has provided the Investor or any of its agents, advisors or counsel with any information that constitutes or could reasonably be expected to constitute material, nonpublic information concerning the Company or any of its Subsidiaries, other than the existence of the transactions contemplated by the Transaction Documents. The Company understands and confirms that the Investor will rely on the foregoing representations in effecting resales of Shares under the Registration Statement. All disclosure provided to Investor regarding the Company and its Subsidiaries, their businesses and the transactions contemplated by the Transaction Documents (including, without limitation, the representations and warranties of the Company contained in the Transaction Documents to which it is a party (as modified by the Disclosure Schedule)) furnished in writing by or on behalf of the Company or any of its Subsidiaries for purposes of or in connection with the Transaction Documents, taken together, is true and correct in all material respects on the date on which such information is dated or certified, and does not contain any untrue statement of a material fact or omit to state any material fact necessary in order to make the statements made therein, in the light of the circumstances under which they were made, not misleading at such time.

Section 5.17. Operation of Business.

(a) The Company and its Subsidiaries have timely obtained and hold all material Permits (the "**Material Permits**") that are required to own, lease or operate their respective properties and assets and to conduct their respective businesses as currently conducted, except where the failure to obtain the same would not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect. For the avoidance of doubt, Material Permits include, but are not limited to, all Federal Aviation Administration ("**FAA**") and Department of

Transportation (“**DOT**”) certificates, licenses, consents, exemptions, ratings, approvals and other authorizations and permissions required for the operation of the Company’s and its Subsidiaries’ respective businesses as currently conducted as described in the Commission Documents, the lack of which could reasonably be expected to have a Material Adverse Effect. Except as would not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect, (a) each Material Permit has been duly and validly obtained by the Company or one of its Subsidiaries and is in full force and effect in accordance with its terms, (b) no outstanding written notice of revocation, cancellation or termination of any Material Permit has been received by the Company or any of its Subsidiaries, (c) to the Knowledge of the Company, none of such Permits upon its termination or expiration in the ordinary due course will not be renewed or reissued in the ordinary course of business upon terms and conditions substantially similar to its existing terms and conditions, (d) there are no Actions pending or, to the Knowledge of the Company, threatened, that seek the revocation, cancellation, limitation, restriction or termination of any Material Permit and (e) the Company and its Subsidiaries are in compliance with all Material Permits applicable to them. This Section 5.17(a) does not relate to environmental matters, such items being the subject of Section 5.18.

(b) The Company and its Subsidiaries own or possess adequate rights to use all patents, patent applications, trademarks (both registered and unregistered), trade names, trademark registrations, service marks, service mark registrations, Internet domain name registrations, copyrights, copyright registrations, and know-how (including trade secrets and other unpatented and/or unpatentable proprietary or confidential information, systems or procedures) (collectively, the “**Intellectual Property**”), necessary for the conduct of their respective businesses as conducted as of the date hereof, except to the extent that the failure to own or possess adequate rights to use such Intellectual Property would not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect. Since the date that is one year prior to the Closing Date, the Company and its Subsidiaries have not received any written notice of any claim of infringement or other violation of Intellectual Property rights of any third Person, which infringement or other violation, if the subject of an unfavorable decision, would reasonably be expected to result in a Material Adverse Effect. Except as would not be, individually or in the aggregate, reasonably expected to have a Material Adverse Effect, (i) there are no pending, or to the Company’s Knowledge, threatened judicial proceedings or interference proceedings challenging the Company’s or any Subsidiary’s rights in or to or the validity of the scope of any of the Company’s or its Subsidiaries’ owned Intellectual Property; and (ii) to the Knowledge of the Company, no other entity or individual has any right or claim in any of the Company’s or any of its Subsidiary’s owned Intellectual Property by virtue of any contract, license or other agreement entered into between such entity or individual and the Company or any Subsidiary or by any non-contractual obligation, other than by written licenses or other agreements granted or entered into by the Company or any Subsidiary. Since the date that is one year prior to the Closing Date, the Company has not received any written notice of any claim challenging the rights of the Company or its Subsidiaries in or to any Intellectual Property owned or exclusively licensed by the Company or any Subsidiary which claim, if the subject of an unfavorable decision, would reasonably be expected to result in a Material Adverse Effect.

Section 5.18. Environmental Compliance. Since December 31, 2021, (i) the Company and its Subsidiaries are in material compliance with all Environmental Laws and all Material Permits issued under Environmental Laws (collectively, the “*Environmental Permits*”); (ii) there has been no release of any Hazardous Materials at, in, on or under any Leased Real Property or in connection with the Company’s or any of its Subsidiaries operations off-site of the Leased Real Property; (iii) none of the Company or any of its Subsidiaries is subject to and has not received any Governmental Order relating to any non-compliance with Environmental Laws or Environmental Permits by the Company or any of its Subsidiaries or the release, investigation, sampling, monitoring, treatment, remediation, removal or cleanup of Hazardous Materials; and (iv) no Action is pending or, to the Knowledge of the Company, threatened and no investigation is pending or, to the Knowledge of the Company, threatened with respect to the Company’s or any of its Subsidiaries’ compliance with or liability under Environmental Law or related to a release of Hazardous Materials, except, in the case of any of clauses (i), (ii), (iii) or (iv) above, for any such failure to comply or failure to receive required permits, licenses, other approvals or non-compliance or liability as would not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect.

Section 5.19. Material Contracts. Except as set forth in the Commission Documents, the descriptions in the Commission Documents of the material Contracts therein described present fairly in all material respects the information required to be shown, and there are no material Contracts of a character required to be described in the Commission Documents or to be filed as exhibits thereto which are not described or filed as required; all material Contracts between the Company or any of its Subsidiaries and third parties expressly referenced in the Commission Documents are legal, valid and binding obligations of the Company or one or more of its Subsidiaries, enforceable in accordance with their respective terms, except to the extent enforceability may be limited by bankruptcy, insolvency, reorganization, moratorium or similar laws affecting creditors’ rights generally and by general equitable principles, and except where the failure of any such Contract to be enforceable in accordance with its terms would not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect.

Section 5.20. Transactions With Affiliates. Except as set forth in the Commission Documents, none of the officers or directors of the Company and, to the Knowledge of the Company, none of the Company’s stockholders, the officers or directors of any stockholder of the Company who is the beneficial owner of more than five percent (5%) of the outstanding shares of Common Stock, or any immediate family member or Affiliate of any of the foregoing, has either directly or indirectly any material interest in, or is a party to, any transaction that is required to be disclosed as a related party transaction pursuant to Item 404 of Regulation S-K promulgated under the Securities Act.

Section 5.21. Employees; Labor Laws. No material labor dispute with the employees of the Company exists, except as described in the Commission Documents, or, to the Knowledge of the Company, is imminent; and the Company is not aware of any existing, threatened or imminent labor disturbance by the employees of any of its principal suppliers, manufacturers or contractors that would reasonably be expected to have a Material Adverse Effect. Neither the Company nor any Subsidiary is in violation of or has received notice of any violation with respect to any federal or state law relating to discrimination in the hiring, promotion or pay of employees, nor any applicable federal or state wage and hour laws, nor any state law precluding the denial of credit due to the neighborhood in which a property is situated, the violation of any of which could reasonably be expected to have a Material Adverse Effect. No employee of the Company or any of its Subsidiaries is or was represented by a labor union, works council, trade union, industrial

organization, or similar representative of employees with respect to employment with the Company or any of its Subsidiaries, and neither the Company nor any of its Subsidiaries is or was a party to, subject to, or bound by a collective bargaining agreement, collective agreement, workplace agreement or any other material Contract with a labor union, works council, trade union, industrial organization, or similar representative of employees. There are no strikes, lockouts or work stoppages existing or, to the Company's Knowledge, threatened, against the Company or any of its Subsidiaries with respect to any employees of the Company or any of its Subsidiaries or any other individuals who have provided services with respect to the Company or any of its Subsidiaries that would reasonably be expected to have a Material Adverse Effect.

Section 5.22. Use of Proceeds. The proceeds from the sale of the Shares by the Company to Investor shall be used by the Company and its Subsidiaries in the manner as will be set forth in the Prospectus included in any Registration Statement (and any post-effective amendment thereto) and any Prospectus Supplement thereto filed pursuant to the Registration Rights Agreement.

Section 5.23. Investment Company Act Status. The Company is not, and as a result of the consummation of the transactions contemplated by the Transaction Documents and the application of the proceeds from the sale of the Shares as will be set forth in the Prospectus included in any Registration Statement (and any post-effective amendment thereto) and any Prospectus Supplement thereto filed pursuant to the Registration Rights Agreement the Company will not be required to register as an "investment company" within the meaning of the Investment Company Act of 1940, as amended.

Section 5.24. ERISA. The Company has made all required material contributions and has no liability to each employee benefit plan maintained, established or sponsored by the Company, or which the Company participates in or contributes to, which is subject to the Employee Retirement Income Security Act of 1974, as amended ("**ERISA**"), and has made all required material contributions and has no material liability to each other material bonus, commission, severance, equity, phantom equity, change in control, retention bonus, deferred compensation, paid time off, health and welfare, and/or fringe benefit plan, program, agreement, or arrangement sponsored, maintained, or contributed to by the Company, other than liability for health plan continuation coverage described in Part 6 of Title I(B) of ERISA, and has complied in all material respects with all applicable laws for any such employee benefit plan. There is no material action, claim, suit, proceeding, demand, investigation, or audit pending, or to the Company's Knowledge, threatened, with respect to any employee benefit plan described in the immediately preceding sentence (except for routine claims for benefits) or that relates to the Company's employment practices. The Company and its Affiliates do not maintain, sponsor, or contribute to any "multiemployer plan," as defined in Section 3(37) of ERISA, any "multiple employer plan" as defined in Section 413 of the Internal Revenue Code of 1986, as amended (the "**Code**"), any "multiple employer welfare arrangement" as defined in Section 3(40) of ERISA, any "defined benefit pension plan" as defined in Section 3(35) of ERISA, or any plan that provides medical insurance or life insurance benefits to terminated employees or retirees other than as required under Section 4980B of the Code.

Section 5.25. Taxes. The Company and each of its Subsidiaries has filed all federal, state, local and foreign tax returns required to be filed through the date of this Agreement or have requested extensions thereof (except where the failure to file would not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect) and have paid all taxes required to be paid thereon (except for cases in which the failure to file or pay would not reasonably be expected to have a Material Adverse Effect, or, except as currently being contested in good faith and for which reserves required by GAAP have been created in the financial statements of the Company), and no tax deficiency has been determined adversely to the Company or any of its Subsidiaries which have had a Material Adverse Effect, nor does the Company have any notice or Knowledge of any tax deficiency which could reasonably be expected to be determined adversely to the Company or any of its Subsidiaries and which would reasonably be expected to have a Material Adverse Effect.

Section 5.26. Insurance. The Company and the Subsidiaries are insured by insurers of recognized financial responsibility against such losses and risks and in such amounts as are prudent and customary in the businesses in which the Company and the Subsidiaries are engaged, including, but not limited to, directors and officers insurance coverage. The Company has no reason to believe that it will not be able to renew its existing insurance coverage as and when such coverage expires or to obtain similar coverage from similar insurers as may be necessary to continue its business without a significant increase in cost.

Section 5.27. Exemption from Registration. Subject to, and in reliance on, the representations, warranties and covenants made herein by the Investor, the offer and sale of the Securities by the Company to the Investor in accordance with the terms and conditions of this Agreement is exempt from the registration requirements of the Securities Act pursuant to Section 4(a)(2) and Rule 506(b) of Regulation D; provided, however, that at the request of and with the express agreement of the Investor (including, without limitation, the representations, warranties and covenants of Investor set forth in Sections 4.10 through 4.13), the Securities to be issued from and after Commencement to or for the benefit of the Investor pursuant to this Agreement shall be issued to the Investor or its designee only as DWAC Shares and will not bear legends noting restrictions as to resale of such securities under federal or state securities laws, nor will any such securities be subject to stop transfer instructions.

Section 5.28. No General Solicitation or Advertising. Neither the Company, nor any of its Subsidiaries or Affiliates, nor any Person acting on its or their behalf, has engaged in any form of general solicitation or general advertising (within the meaning of Regulation D) in connection with the offer or sale of the Securities.

Section 5.29. No Integrated Offering. None of the Company or any of its Affiliates, nor any Person acting on their behalf has, directly or indirectly, made any offers or sales of any security or solicited any offers to buy any security, under circumstances that would require registration of the offer, issuance and sale by the Company to the Investor of any of the Securities under the Securities Act, whether through integration with prior offerings or otherwise, or cause this offering of the Securities to require approval of stockholders of the Company under any applicable stockholder approval provisions, including, without limitation, under the rules and regulations of the Trading Market. None of the Company, its Subsidiaries, their Affiliates nor any Person acting on their behalf will take any action or steps referred to in the preceding sentence that would require registration of the offer, issuance and sale by the Company to the Investor of any of the Securities under the Securities Act or cause the offering of any of the Securities to be integrated with any other offering of securities of the Company.

Section 5.30. Dilutive Effect. The Company is aware and acknowledges that issuance of the Securities could cause dilution to existing stockholders and could significantly increase the number of outstanding shares of Common Stock. The Company further acknowledges that its obligation to issue the Commitment Shares and to issue the Shares pursuant to the terms of a VWAP Purchase Notice and pursuant to the terms of an Intraday VWAP Purchase Notice (as applicable) in accordance with this Agreement is, in each case, absolute and unconditional regardless of the dilutive effect that such issuance may have on the ownership interests of other stockholders of the Company.

Section 5.31. Manipulation of Price. Neither the Company nor any of its officers, directors or Affiliates has, and, to the Knowledge of the Company, no Person acting on their behalf has, (i) taken, directly or indirectly, any action designed or intended to cause or to result in the stabilization or manipulation of the price of any security of the Company, or which caused or resulted in, or which would in the future reasonably be expected to cause or result in, the stabilization or manipulation of the price of any security of the Company, in each case to facilitate the sale or resale of any of the Securities, (ii) sold, bid for, purchased, or paid any compensation for soliciting purchases of, any of the Securities, or (iii) paid or agreed to pay to any Person any compensation for soliciting another to purchase any other securities of the Company. Neither the Company nor any of its officers, directors or Affiliates will during the term of this Agreement, and, to the Knowledge of the Company, no Person acting on their behalf will during the term of this Agreement, take any of the actions referred to in the immediately preceding sentence.

Section 5.32. Securities Act. The Company has exercised reasonable care to determine whether any Issuer Covered Person is subject to a Disqualification Event.

Section 5.41. Market Capitalization. As of the date of this Agreement, the aggregate market value of the outstanding voting and non-voting common equity (as defined in Rule 405 of the Securities Act) of the Company held by persons other than Affiliates of the Company (pursuant to Rule 144, those that directly, or indirectly through one or more intermediaries, control, or are controlled by, or are under common control with, the Company) (the "**Non-Affiliate Shares**"), was equal to approximately \$474.2 million (calculated by multiplying (i) the highest price at which the common equity of the Company closed on the Trading Market within 60 days of the date of this Agreement by (ii) the number of Non-Affiliate Shares).

Section 5.42. Broker/Dealer Relationships; FINRA Information. Neither the Company nor any of the Subsidiaries (i) is required to register as a "broker" or "dealer" in accordance with the provisions of the Exchange Act or (ii) directly or indirectly through one or more intermediaries, controls or is a "person associated with a member" or "associated person of a member" (within the meaning set forth in the FINRA Manual). All of the information provided to the Investor, BRS or to their counsel, specifically for use by BRS in connection with the FINRA Filing (and related disclosure) with FINRA, by the Company, its counsel, its officers and directors and the holders of any securities (debt or equity) or options to acquire any securities of the Company in connection with the transactions contemplated by the Transaction Documents is true, complete, correct and compliant with FINRA's rules and any letters, filings or other supplemental information provided to FINRA pursuant to FINRA Rules.

Section 5.43. Margin Rules. Neither the issuance, sale and delivery of the Shares nor the application of the proceeds thereof by the Company as described in the Commission Documents will violate Regulation T, U or X of the Board of Governors of the Federal Reserve System or any other regulation of such Board of Governors.

Section 5.44. Acknowledgement Regarding Relationship with Investor and BRS. The Company acknowledges and agrees, to the fullest extent permitted by Law, that the Investor is acting solely in the capacity of an arm's-length purchaser with respect to this Agreement, the Registration Rights Agreement and the transactions contemplated by the Transaction Documents, and BRS is acting as a representative of the Investor in connection with the transactions contemplated by the Transaction Documents, and of no other party, including the Company. The Company further acknowledges that while the Investor will be deemed to be a statutory "underwriter" with respect to certain of the transactions contemplated by the Transaction Documents in accordance with interpretive positions of the Staff of the Commission, the Investor is a "trader" that is not required to register with the Commission as a broker-dealer under Section 15(a) of the Securities Exchange Act of 1934. The Company further acknowledges that the Investor and its representatives are not acting as a financial advisor or fiduciary of the Company (or in any similar capacity) with respect to this Agreement, the Registration Rights Agreement and the transactions contemplated by the Transaction Documents, and any advice given by the Investor or any of its representatives (including BRS) or agents in connection therewith is merely incidental to the Investor's acquisition of the Securities. The Company and Investor understand and acknowledge that employees of BRS may discuss market color, VWAP Purchase Notice and Intraday VWAP Purchase Notice timing and parameter considerations and other related capital markets considerations with the Company in connection with the Transaction Documents and the transactions contemplated thereby, in all cases on behalf of the Investor. The Company acknowledges and agrees that the Investor has not made and does not make any representations or warranties with respect to the transactions contemplated by the Transaction Documents other than those specifically set forth in Article IV.

Section 5.45. Acknowledgement Regarding Investor's Affiliate Relationships. Affiliates of the Investor, including BRS, engage in a wide range of activities for their own accounts and the accounts of customers, including corporate finance, mergers and acquisitions, merchant banking, equity and fixed income sales, trading and research, derivatives, foreign exchange, futures, asset management, custody, clearance and securities lending. In the course of their respective business, Affiliates of the Investor may, directly or indirectly, hold long or short positions, trade and otherwise conduct such activities in or with respect to debt or equity securities or bank debt of, or derivative products relating to, the Company. Any such position will be created, and maintained, independently of the position the Investor takes in the Company. In addition, at any given time Affiliates of the Investor, including BRS, may have been or in the future may be engaged by one or more entities that may be competitors with, or otherwise adverse to, the Company in matters unrelated to the transactions contemplated by the Transaction Documents, and Affiliates of the Investor, including BRS may have or may in the future provide investment banking or other services to the Company in matters unrelated to the transactions contemplated by the Transaction Documents. Activities of any of the Investor's Affiliates performed on behalf of the Company may give rise to actual or apparent conflicts of interest given the Investor's potentially competing interests with those of the Company. The Company expressly acknowledges the benefits it receives from the Investor's participation in the transactions contemplated by the Transaction Documents, on the one hand, and the Investor's Affiliates' activities, if any, on behalf of the Company unrelated to the transactions contemplated by the Transaction Documents, on the

other hand, and understands the conflict or potential conflict of interest that may arise in this regard, and has consulted with such independent advisors as it deems appropriate in order to understand and assess the risks associated with these potential conflicts of interest. Consistent with applicable legal and regulatory requirements, applicable Affiliates of the Investor have adopted policies and procedures to establish and maintain the independence of their research departments and personnel from their investment banking groups and the Investor. As a result, research analysts employed by Affiliates of the Investor may hold views, make statements or investment recommendations or publish research reports with respect to the Company or the transactions contemplated by the Transaction Documents that differ from the views of the Investor.

ARTICLE VI ADDITIONAL COVENANTS

The Company covenants with the Investor, and the Investor covenants with the Company, as follows, which covenants of one party are for the benefit of the other party, during the Investment Period (and with respect to the Company, for the period following the termination of this Agreement specified in Section 8.3 pursuant to and in accordance with Section 8.3):

Section 6.1. Securities Compliance. The Company shall notify the Commission and the Trading Market, if and as applicable, in accordance with their respective rules and regulations, of the transactions contemplated by the Transaction Documents, and shall take all reasonably necessary action, undertake all reasonable proceedings and obtain all registrations, permits, consents and approvals for the legal and valid issuance of the Securities to the Investor in accordance with the terms of the Transaction Documents, as applicable.

Section 6.2. Reservation of Common Stock. The Company has available and the Company shall reserve and keep available at all times, free of preemptive and other similar rights of stockholders, the requisite aggregate number of authorized but unissued shares of Common Stock to enable the Company to timely effect (i) the issuance and delivery of all Initial Commitment Shares to be issued and delivered to the Investor under Section 10.1(ii)(a) hereof within the time period specified in Section 10.1(ii)(a) hereof, (ii) the issuance and delivery of all Additional Commitment Shares to be issued and delivered to the Investor under Section 10.1(ii)(b) hereof within the time periods specified in Section 10.1(ii)(b) hereof, (iii) the issuance, sale and delivery of all Shares to be issued, sold and delivered in respect of each VWAP Purchase effected under this Agreement, in the case of this clause (iii), at least prior to the delivery by the Company to the Investor of the applicable VWAP Purchase Notice in connection with such VWAP Purchase, and (iv) the issuance, sale and delivery of all Shares to be issued, sold and delivered in respect of each Intraday VWAP Purchase effected under this Agreement, in the case of this clause (iv), at least prior to the delivery by the Company to the Investor of the applicable Intraday VWAP Purchase Notice in connection with such Intraday VWAP Purchase. Without limiting the generality of the foregoing, (a) as of the date of this Agreement, the Company has reserved, out of its authorized and unissued Common Stock, 359,098 shares of Common Stock solely for the purpose of issuing all of the Initial Commitment Shares under this Agreement to be issued and delivered to the Investor under Section 10.1(ii)(a) hereof within the time period specified in Section 10.1(ii)(a) hereof, and (b) as of the date of this Agreement the Company has reserved, and as of the Commencement Date shall have continued to reserve, out of its authorized and unissued Common Stock, (1) 359,097 shares of Common Stock solely for the purpose of issuing Additional

Commitment Shares to be issued and delivered to the Investor under Section 10.1(ii)(b) hereof in such amounts and within the time periods specified in Section 10.1(ii)(b) hereof, and (2) 52,341,455 shares of Common Stock solely for the purpose of issuing Shares pursuant to one or more VWAP Purchases and pursuant to one or more Intraday VWAP Purchases (as applicable) that may be effected by the Company, in its sole discretion, from time to time from and after the Commencement Date under this Agreement. The number of shares of Common Stock so reserved for the purpose of effecting issuances of Shares pursuant to VWAP Purchases and pursuant to Intraday VWAP Purchases under this Agreement (as applicable) may be increased from time to time by the Company from and after the Commencement Date, and such number of reserved shares may be reduced from and after the Commencement Date only by the number of Shares actually issued, sold and delivered to the Investor pursuant to any VWAP Purchase and any Intraday VWAP Purchase (as applicable) effected from and after the Commencement Date pursuant to this Agreement.

Section 6.3. Registration and Listing. The Company shall use its commercially reasonable efforts to cause the Common Stock to continue to be registered as a class of securities under Sections 12(b) of the Exchange Act, and to comply with its reporting and filing obligations under the Exchange Act, and shall not take any action or file any document (whether or not permitted by the Securities Act or the Exchange Act) to terminate or suspend such registration or to terminate or suspend its reporting and filing obligations under the Exchange Act or Securities Act, except as permitted herein. The Company shall use its commercially reasonable efforts to continue the listing and trading of its Common Stock and the listing of the Securities purchased or acquired by the Investor hereunder on the Trading Market (or another Eligible Market) and to comply with the Company's reporting, filing and other obligations under the rules and regulations of the Trading Market (or other Eligible Market, as applicable). The Company shall not take any action which could be reasonably expected to result in the delisting or suspension of the Common Stock on the Trading Market (or other Eligible Market, as applicable). If the Company receives any final and non-appealable notice that the listing or quotation of the Common Stock on the Trading Market (or other Eligible Market, as applicable) shall be terminated on a date certain, the Company shall promptly (and in any case within 48 hours) notify the Investor of such fact in writing and shall use its commercially reasonable efforts to cause the Common Stock to be listed or quoted on another Eligible Market.

Section 6.4. Compliance with Laws.

(i) During the Investment Period, the Company (a) shall comply, and cause each Subsidiary to comply, with all laws, rules, regulations and orders applicable to the business and operations of the Company and its Subsidiaries, except as would not have a Material Adverse Effect and (b) with applicable provisions of the Securities Act and the Exchange Act, including Regulation M thereunder, applicable state securities or "Blue Sky" laws (but only to the extent set forth in Section 6.11), and applicable listing rules of the Trading Market (or Eligible Market, as applicable), except as would not, individually or in the aggregate, prohibit or otherwise interfere with the ability of the Company to enter into and perform its obligations under this Agreement in any material respect or for Investor to conduct resales of Securities under the Registration Statement in any material respect. Without limiting the foregoing, neither the Company, nor any of its Subsidiaries, nor to the Knowledge of the Company, any of their respective directors, officers, agents, employees or any other Persons acting on their behalf shall, in connection with

the operation of the Company's and its Subsidiaries' respective businesses, (1) use any corporate funds for unlawful contributions, payments, gifts or entertainment or to make any unlawful expenditures relating to political activity to government officials, candidates or members of political parties or organizations, (2) pay, accept or receive any unlawful contributions, payments, expenditures or gifts, or (3) violate or operate in noncompliance with any export restrictions, anti-boycott regulations, embargo regulations or other applicable domestic or foreign laws and regulations, including, without limitation, the Anti-Corruption Laws and the International Trade Laws.

(ii) The Investor shall comply with all laws, rules, regulations and orders applicable to the performance by it of its obligations under this Agreement and its investment in the Securities, except as would not, individually or in the aggregate, prohibit or otherwise interfere with the ability of the Investor to enter into and perform its obligations under this Agreement in any material respect. Without limiting the foregoing, the Investor shall comply with all applicable provisions of the Securities Act and the Exchange Act, including Regulation M thereunder, the rules and regulations of FINRA, and all applicable state securities or "Blue Sky" laws.

Section 6.5. Keeping of Records and Books of Account; Due Diligence.

(i) The Investor and the Company shall each maintain records showing the remaining Total Commitment, the remaining Aggregate Limit, the dates and VWAP Purchase Share Amount for each VWAP Purchase, and the dates and Intraday VWAP Purchase Share Amount for each Intraday VWAP Purchase.

(ii) Subject to the requirements of Section 6.12, from time to time from and after the Closing Date, the Company shall make available for inspection and review by the Investor during normal business hours and after reasonable notice, which shall not be less than 48 hours, customary documentation reasonably requested by the Investor and/or its appointed counsel or advisors to conduct due diligence; provided, however, that after the Closing Date, the Investor's continued due diligence shall not be a condition precedent to the Commencement or to the Investor's obligation to accept each VWAP Purchase Notice and each Intraday VWAP Purchase Notice timely delivered by the Company to the Investor in accordance with this Agreement.

Section 6.6. No Frustration; No Variable Rate Transactions.

(i) **No Frustration.** The Company shall not enter into, announce or recommend to its stockholders any agreement, plan, arrangement or transaction in or of which the terms thereof would restrict, materially delay, conflict with or impair the ability or right of the Company to perform its obligations under the Transaction Documents to which it is a party, including, without limitation, the obligation of the Company to deliver (i) the Initial Commitment Shares to the Investor not later than 4:00 p.m. (New York time) on the Trading Day immediately following the Closing Date in accordance with Section 10.1(ii)(a), (ii) the Additional Commitment Shares to be issued and delivered to the Investor under Section 10.1(ii)(b) hereof in such amounts and within the time periods specified in Section 10.1(ii)(b) hereof, and (iii) the Shares to the Investor in respect of each VWAP Purchase and each Intraday VWAP Purchase effected by the Company, in each case not later than the applicable Purchase Share Delivery Date with respect to such VWAP Purchase and not later than the applicable Purchase Share Delivery Date with respect to such Intraday VWAP Purchase (as applicable) in accordance with Section 3.3. For the avoidance of doubt, nothing in this Section 6.6(i) shall in any way limit the Company's right to terminate this Agreement in accordance with Section 8.2 (subject in all cases to Section 8.3).

(ii) **No Variable Rate Transactions.** The Company shall not effect or enter into an agreement to effect any issuance by the Company or any of its Subsidiaries of Common Stock or Common Stock Equivalents (or a combination of units thereof) involving a Variable Rate Transaction, other than in connection with an Exempt Issuance. The Investor shall be entitled to seek injunctive relief against the Company and its Subsidiaries to preclude any such issuance, which remedy shall be in addition to any right to collect damages, without the necessity of showing economic loss and without any bond or other security being required.

Section 6.7. Corporate Existence. The Company shall take all steps necessary to preserve and continue the corporate existence of the Company; provided, however, that, except as provided in Section 6.8, nothing in this Agreement shall be deemed to prohibit the Company from engaging in any Fundamental Transaction with another Person. For the avoidance of doubt, nothing in this Section 6.7 shall in any way limit the Company's right to terminate this Agreement in accordance with Section 8.2 (subject in all cases to Section 8.3).

Section 6.8. Fundamental Transaction. If a VWAP Purchase Notice or an Intraday VWAP Purchase Notice has been delivered to the Investor and the transactions contemplated therein have not yet been fully settled in accordance with Section 3.3 of this Agreement, the Company shall not effect any Fundamental Transaction until the expiration of five (5) Trading Days following the date of full settlement thereof and the issuance to the Investor of all of the Shares that are issuable to the Investor pursuant to the VWAP Purchase or Intraday VWAP Purchase (as applicable) to which such VWAP Purchase Notice or Intraday VWAP Purchase Notice (as applicable) relates.

Section 6.9. Selling Restrictions.

(i) Except as expressly set forth below, the Investor covenants that from and after the Closing Date through and including the Trading Day next following the expiration or termination of this Agreement as provided in Article VIII (the "**Restricted Period**"), none of the Investor, its sole member, any of their respective officers, or any entity managed or controlled by the Investor or its sole member (collectively, the "**Restricted Persons**" and each of the foregoing is referred to herein as a "**Restricted Person**") shall, directly or indirectly, (i) engage in any Short Sales of the Common Stock or (ii) hedging transaction, which establishes a net short position with respect to the Common Stock, with respect to each of clauses (i) and (ii) hereof, either for its own account or for the account of any other Restricted Person. Notwithstanding the foregoing, it is expressly understood and agreed that nothing contained herein shall (without implication that the contrary would otherwise be true) prohibit any Restricted Person during the Restricted Period from: (1) selling "long" (as defined under Rule 200 promulgated under Regulation SHO) the Securities; or (2) selling a number of shares of Common Stock equal to the number of Shares that the Investor is unconditionally obligated to purchase under any pending VWAP Purchase Notice or any pending Intraday VWAP Purchase Notice (as applicable), but has not yet received from the Company or its transfer agent pursuant to this Agreement, so long as (X) the Investor (or its Broker-Dealer, as applicable) delivers the Shares purchased pursuant to such pending VWAP

Purchase Notice and the Shares purchased pursuant to such pending Intraday VWAP Purchase Notice (as applicable) to the purchaser thereof promptly upon the Investor's receipt of such Shares from the Company in accordance with Section 3.3 of this Agreement and (Y) neither the Company or its transfer agent shall have failed for any reason to deliver such Shares to the Investor or its Broker-Dealer so that such Shares are timely received by the Investor as DWAC Shares on the applicable Purchase Share Delivery Date for such VWAP Purchase and on the applicable Purchase Share Delivery Date for such Intraday VWAP Purchases (as applicable) in accordance with Section 3.3 of this Agreement.

(ii) In addition to the foregoing, in connection with any sale of Securities (including any sale permitted by paragraph (i) above), the Investor shall comply in all respects with all applicable laws, rules, regulations and orders, including, without limitation, the requirements of the Securities Act and the Exchange Act.

Section 6.10. Effective Registration Statement. During the Investment Period, the Company shall use its commercially reasonable efforts to maintain the continuous effectiveness of the Initial Registration Statement and each New Registration Statement filed with the Commission under the Securities Act for the applicable Registration Period pursuant to and in accordance with the Registration Rights Agreement.

Section 6.11. Blue Sky. The Company shall take such action, if any, as is necessary by the Company in order to obtain an exemption for or to qualify the Securities for sale by the Company to the Investor pursuant to the Transaction Documents, and at the request of the Investor, the subsequent resale of Registrable Securities by the Investor, in each case, under applicable state securities or "Blue Sky" laws and shall provide evidence of any such action so taken to the Investor from time to time following the Closing Date; provided, however, that the Company shall not be required in connection therewith or as a condition thereto to (x) qualify to do business in any jurisdiction where it would not otherwise be required to qualify but for this Section 6.11, (y) subject itself to general taxation in any such jurisdiction, or (z) file a general consent to service of process in any such jurisdiction.

Section 6.12. Non-Public Information. Neither the Company or any of its Subsidiaries, nor any of their respective directors, officers, employees or agents shall disclose any material non-public information about the Company to the Investor, unless a simultaneous public announcement thereof is made by the Company in the manner contemplated by Regulation FD. In the event of a breach of the foregoing covenant by the Company or any of its Subsidiaries, or any of their respective directors, officers, employees and agents (as determined in the reasonable good faith judgment of the Investor), (i) the Investor shall promptly provide written notice of such breach to the Company and (ii) after such written notice has been provided to the Company and, provided that the Company shall have failed to demonstrate to the Investor in writing within two (2) Trading Days that such information does not constitute material, non-public information or the Company shall have failed to publicly disclose such material, non-public information within two (2) Trading Days following demand therefor by the Investor, in addition to any other remedy provided herein or in the other Transaction Documents, if the Investor is holding any Shares at the time of the disclosure of material, non-public information, the Investor shall have the right to make a public disclosure, in the form of a press release, public advertisement or otherwise, of such material, non-public information without the prior approval by the Company, any of its Subsidiaries, or any of

their respective directors, officers, employees or agents; provided that such press release, public advertising or other public disclosure shall be first provided to the Company prior to its public release. The Investor shall not have any liability to the Company, any of its Subsidiaries, or any of their respective directors, officers, employees, stockholders or agents, for any such disclosure made in good faith.

Section 6.13. Broker-Dealer. Notwithstanding anything to the contrary contained in this Agreement, the Commencement Date shall not occur, unless and until BRS shall have received written confirmation from FINRA to the effect that FINRA’s Corporate Financing Department has determined not to raise any objection with respect to the fairness and reasonableness of the terms of the transactions contemplated by this Agreement.

The fact that any item of information is disclosed in the Disclosure Schedule shall not be construed to mean that such information is required to be disclosed by this Agreement. Except as expressly set forth in this Agreement, such information and the thresholds (whether based on quantity, qualitative characterization, dollar amounts or otherwise) set forth herein shall not be used as a basis for interpreting the terms "material" or "Material Adverse Effect" or other similar terms in this Agreement.

ARTICLE VIII TERMINATION

Section 8.1. Automatic Termination. Unless earlier terminated as provided hereunder, this Agreement shall terminate automatically on the earliest to occur of (i) the first day of the month next following the 24-month anniversary of the Commencement Date, (ii) the date on which the Investor shall have purchased from the Company, pursuant to all VWAP Purchases and Intraday VWAP Purchases that have occurred and fully settled pursuant to this Agreement, an aggregate number of Shares for a total aggregate gross purchase price to the Company equal to the Total Commitment, (iii) the date on which the Common Stock shall have failed to be listed or quoted on the Trading Market or any Eligible Market for a period of one (1) Trading Day, (iv) the thirtieth (30th) Trading Day next following the date on which, pursuant to or within the meaning of any Bankruptcy Law, the Company commences a voluntary case or any Person commences a proceeding against the Company, in each case that is not discharged or dismissed prior to such thirtieth (30th) Trading Day, and (v) the date on which, pursuant to or within the meaning of any Bankruptcy Law, a Custodian is appointed for the Company or for all or substantially all of its property, or the Company makes a general assignment for the benefit of its creditors.

Section 8.2. Other Termination. Subject to Section 8.3, the Company may terminate this Agreement after the Commencement Date effective upon ten (10) Trading Days' prior written notice to the Investor in accordance with Section 10.4; provided, however, that (i) the Company shall have issued all of the Initial Commitment Shares required to be issued to the Investor pursuant to Section 10.1(ii)(a) of this Agreement and such number of Additional Commitment Shares

required to be issued to the Investor at or prior to such termination pursuant to Section 10.1(ii)(b) of this Agreement, and shall have paid the Initial Investor Expense Reimbursement and all Additional Investor Expense Reimbursement payments required to be paid to the Investor or its counsel pursuant to Section 10.1(i) of this Agreement, in each case prior to such termination, and (ii) prior to issuing any press release, or making any public statement or announcement, with respect to such termination, the Company shall consult with the Investor and its counsel on the form and substance of such press release or other disclosure. Subject to Section 8.3, this Agreement may be terminated at any time by the mutual written consent of the parties, effective as of the date of such mutual written consent unless otherwise provided in such written consent. Subject to Section 8.3, the Investor shall have the right to terminate this Agreement effective upon ten (10) Trading Days' prior written notice to the Company in accordance with Section 10.4, if: (a) any condition, occurrence, state of facts or event constituting a Material Adverse Effect has occurred and is continuing; (b) a Fundamental Transaction shall have occurred; (c) the Initial Registration Statement and any New Registration Statement is not filed by the applicable Filing Deadline therefor or declared effective by the Commission by the applicable Effectiveness Deadline (as defined in the Registration Rights Agreement) therefor, or the Company is otherwise in breach or default in any material respect under any of the other provisions of the Registration Rights Agreement, and, if such failure, breach or default is capable of being cured, such failure, breach or default is not cured within ten (10) Trading Days after notice of such failure, breach or default is delivered to the Company pursuant to Section 10.4; (d) while a Registration Statement, or any post-effective amendment thereto, is required to be maintained effective pursuant to the terms of the Registration Rights Agreement and the Investor holds any Registrable Securities, the effectiveness of such Registration Statement, or any post-effective amendment thereto, lapses for any reason (including, without limitation, the issuance of a stop order by the Commission) or such Registration Statement or any post-effective amendment thereto, the Prospectus contained therein or any Prospectus Supplement thereto otherwise becomes unavailable to the Investor for the resale of all of the Registrable Securities included therein in accordance with the terms of the Registration Rights Agreement, and such lapse or unavailability continues for a period of twenty (20) consecutive Trading Days or for more than an aggregate of sixty (60) Trading Days in any 365-day period, other than due to acts of the Investor; (e) trading in the Common Stock on the Trading Market (or if the Common Stock is then listed on an Eligible Market, trading in the Common Stock on such Eligible Market) shall have been suspended and such suspension continues for a period of three (3) consecutive Trading Days; or (f) the Company is in material breach or default of this Agreement, and, if such breach or default is capable of being cured, such breach or default is not cured within ten (10) Trading Days after notice of such breach or default is delivered to the Company pursuant to Section 10.4. Unless notification thereof is required elsewhere in this Agreement (in which case such notification shall be provided in accordance with such other provision), the Company shall promptly (but in no event later than twenty-four (24) hours) notify the Investor (and, if required under applicable law, including, without limitation, Regulation FD promulgated by the Commission, or under the applicable rules and regulations of the Trading Market (or Eligible Market, as applicable), the Company shall publicly disclose such information in accordance with Regulation FD and the applicable rules and regulations of the Trading Market (or Eligible Market, as applicable)) upon becoming aware of any of the events set forth in the immediately preceding sentence.

Section 8.3. Effect of Termination. In the event of termination by the Company or the Investor (other than by mutual termination) pursuant to Section 8.2, written notice thereof shall forthwith be given to the other party as provided in Section 10.4 and the transactions contemplated by this Agreement shall be terminated without further action by either party. If this Agreement is terminated as provided in Section 8.1 or Section 8.2, this Agreement shall become void and of no further force and effect, except that (i) the provisions of Article V (Representations, Warranties and Covenants of the Company), Article IX (Indemnification), Article X (Miscellaneous) and this Article VIII (Termination) shall remain in full force and effect indefinitely notwithstanding such termination, and, (ii) so long as the Investor owns any Securities, the covenants and agreements of the Company contained in Article VI (Additional Covenants) shall remain in full force and notwithstanding such termination for a period of six (6) months following such termination. Notwithstanding anything in this Agreement to the contrary, no termination of this Agreement by any party shall (i) become effective prior to the fifth (5th) Trading Day immediately following the settlement date related to any pending VWAP Purchase or any pending Intraday VWAP Purchase (as applicable) that has not been fully settled in accordance with the terms and conditions of this Agreement (it being hereby acknowledged and agreed that no termination of this Agreement shall limit, alter, modify, change or otherwise affect any of the Company's or the Investor's rights or obligations under the Transaction Documents with respect to any pending VWAP Purchase and any pending Intraday VWAP Purchase (as applicable), and that the parties shall fully perform their respective obligations with respect to any such pending VWAP Purchase and any pending Intraday VWAP Purchase under the Transaction Documents), (ii) limit, alter, modify, change or otherwise affect the Company's or the Investor's rights or obligations under the Registration Rights Agreement, all of which shall survive any such termination, (iii) affect any Initial Commitment Shares issued or issuable to the Investor pursuant to Section 10.1(ii)(a), all of which Initial Commitment Shares shall be fully earned as of the Closing Date, regardless of whether the Commencement shall have occurred, whether any VWAP Purchases or Intraday VWAP Purchases are made or settled hereunder or any subsequent termination of this Agreement, (iv) affect any Additional Commitment Shares that have been issued or are issuable to the Investor at or prior to such termination pursuant to Section 10.1(ii)(b), all of which Additional Commitment Shares shall be fully earned as of the time issued or issuable to the Investor under Section 10.1(ii)(b), regardless of whether any VWAP Purchases or Intraday VWAP Purchases are made or settled hereunder or any subsequent termination of this Agreement, (v) affect the Initial Investor Expense Reimbursement payable or paid to the Investor, all of which Initial Investor Expense Reimbursement shall be fully earned and non-refundable when paid on the Closing Date pursuant to Section 10.1(i), regardless of whether the Commencement shall have occurred, whether any VWAP Purchases or Intraday VWAP Purchases are made or settled hereunder or any subsequent termination of this Agreement, or (vi) affect any Additional Investor Expense Reimbursement payments payable or paid to the Investor, all of which Additional Investor Expense Reimbursement payments shall be fully earned and non-refundable when paid pursuant to Section 10.1(i), regardless of whether any additional VWAP Purchases or Intraday VWAP Purchases are made or settled hereunder or any subsequent termination of this Agreement. Nothing in this Section 8.3 shall be deemed to release the Company or the Investor from any liability for any breach or default under this Agreement or any of the other Transaction Documents to which it is a party, or to impair the rights of the Company and the Investor to compel specific performance by the other party of its obligations under the Transaction Documents to which it is a party.

**ARTICLE IX
INDEMNIFICATION**

Section 9.1. Indemnification of Investor. In consideration of the Investor's execution and delivery of this Agreement and acquiring the Securities hereunder and in addition to all of the Company's other obligations under the Transaction Documents to which it is a party, subject to the provisions of this Section 9.1, the Company shall indemnify and hold harmless the Investor, each of its directors, officers, stockholders, members, partners, employees, representatives, agents and advisors (and any other Persons with a functionally equivalent role of a Person holding such titles notwithstanding the lack of such title or any other title), each Person, if any, who controls the Investor (within the meaning of Section 15 of the Securities Act or Section 20(a) of the Exchange Act), and the respective directors, officers, stockholders, members, partners, employees, representatives, agents and advisors (and any other Persons with a functionally equivalent role of a Person holding such titles notwithstanding the lack of such title or any other title) of such controlling Persons (each, an "**Investor Party**"), from and against all losses, liabilities, obligations, claims, contingencies, damages, costs and expenses (including all judgments, amounts paid in settlement, court costs, reasonable attorneys' fees and costs of defense and investigation) (collectively, "**Damages**") that any Investor Party may suffer or incur as a result of or relating to (a) any breach of any of the representations, warranties, covenants or agreements made by the Company in this Agreement, the Registration Rights Agreement or in the other Transaction Documents to which it is a party or (b) any action, suit, claim or proceeding (including for these purposes a derivative action brought on behalf of the Company) instituted against such Investor Party arising out of or resulting from the execution, delivery, performance or enforcement of the Transaction Documents, other than claims for indemnification within the scope of Section 6 of the Registration Rights Agreement; provided, however, that (x) the foregoing indemnity shall not apply to any Damages to the extent, but only to the extent, that such Damages resulted directly and primarily from a breach of any of the Investor's representations, warranties, covenants or agreements contained in this Agreement or the Registration Rights Agreement, and (y) the Company shall not be liable under subsection (b) of this Section 9.1 to the extent, but only to the extent, that a court of competent jurisdiction shall have determined by a final judgment (from which no further appeals are available) that such Damages resulted directly and primarily from any acts or failures to act, undertaken or omitted to be taken by such Investor Party through its fraud, bad faith, gross negligence, or willful or reckless misconduct.

The Company shall reimburse any Investor Party promptly upon demand (with accompanying presentation of sufficiently detailed documentary evidence) for all legal and other costs and expenses reasonably incurred by such Investor Party in connection with (i) any action, suit, claim or proceeding, whether at law or in equity, to enforce compliance by the Company with any provision of the Transaction Documents or (ii) any other any action, suit, claim or proceeding, whether at law or in equity, with respect to which it is entitled to indemnification under this Section 9.1; provided that the Investor shall promptly reimburse the Company for all such legal and other costs and expenses to the extent a court of competent jurisdiction determines that any Investor Party was not entitled to such reimbursement.

An Investor Party's right to indemnification or other remedies based upon the representations, warranties, covenants and agreements of the Company set forth in the Transaction Documents shall not in any way be affected by any investigation or knowledge of such Investor Party. Such representations, warranties, covenants and agreements shall not be affected or deemed waived by reason of the fact that an Investor Party knew or should have known that any representation or warranty might be inaccurate or that the Company failed to comply with any agreement or covenant. Any investigation by such Investor Party shall be for its own protection only and shall not affect or impair any right or remedy hereunder.

To the extent that the foregoing undertakings by the Company set forth in this Section 9.1 may be unenforceable for any reason, the Company shall make the maximum contribution to the payment and satisfaction of each of the Damages which is permissible under applicable law.

Section 9.2. Indemnification Procedures. Promptly after an Investor Party receives notice of a claim or the commencement of an action for which the Investor Party intends to seek indemnification under Section 9.1, the Investor Party will notify the Company in writing of the claim or commencement of the action, suit or proceeding; provided, however, that failure to notify the Company will not relieve the Company from liability under Section 9.1, except to the extent it has been materially prejudiced by the failure to give notice. The Company will be entitled to participate in the defense of any claim, action, suit or proceeding as to which indemnification is being sought, and if the Company acknowledges in writing the obligation to indemnify the Investor Party against whom the claim or action is brought, the Company may (but will not be required to) assume the defense against the claim, action, suit or proceeding with counsel satisfactory to it. After the Company notifies the Investor Party that the Company wishes to assume the defense of a claim, action, suit or proceeding, the Company will not be liable for any further legal or other expenses incurred by the Investor Party in connection with the defense against the claim, action, suit or proceeding except that if, in the opinion of counsel to the Investor Party, it would be inappropriate under the applicable rules of professional responsibility for the same counsel to represent both the Company and such Investor Party. In such event, the Company will pay the reasonable fees and expenses of no more than one separate counsel for all such Investor Parties promptly as such fees and expenses are incurred. Each Investor Party, as a condition to receiving indemnification as provided in Section 9.1, will cooperate in all reasonable respects with the Company in the defense of any action or claim as to which indemnification is sought. The Company will not be liable for any settlement of any action effected without its prior written consent, which consent shall not be unreasonably withheld, delayed or conditioned. The Company will not, without the prior written consent of the Investor Party, which consent shall not be unreasonably withheld, delayed or conditioned, effect any settlement of a pending or threatened action with respect to which an Investor Party is, or is informed that it may be, made a party and for which it would be entitled to indemnification, unless the settlement includes an unconditional release of the Investor Party from all liability and claims which are the subject matter of the pending or threatened action.

The remedies provided for in this Article IX are not exclusive and shall not limit any rights or remedies which may otherwise be available to any Investor Party at law or in equity.

**ARTICLE X
MISCELLANEOUS**

Section 10.1. Certain Fees and Expenses; Commitment Shares; Commencement Irrevocable Transfer Agent Instructions.

(i) **Certain Fees and Expenses.** Each party shall bear its own fees and expenses related to the transactions contemplated by this Agreement; provided, however, that the Company, (a) on or prior to the Closing Date, shall have paid to the Investor, by wire transfer of immediately available funds to an account designated by the Investor prior to the date of this Agreement, \$125,000 as reimbursement for the reasonable fees and disbursements of the Investor's legal counsel incurred by the Investor prior to the Closing (the "***Initial Investor Expense Reimbursement***"), and (b) within ten (10) Business Days after each Representation Date (provided a Future Purchase Suspension is not then in effect), shall have paid to the Investor, by wire transfer of immediately available funds to an account designated by the Investor, an additional \$7,500 per fiscal quarter as reimbursement for the reasonable fees and disbursements of the Investor's legal counsel incurred by the Investor in connection with the Investor's ongoing due diligence and review of deliverables subject to Section 6.17 (the "***Additional Investor Expense Reimbursement***"), in each case in connection with the transactions contemplated by this Agreement and the Registration Rights Agreement. For the avoidance of doubt, (1) the Initial Investor Expense Reimbursement shall be fully earned and non-refundable when paid on or prior to the Closing Date in accordance with this Section 10.1(i) and (2) each Additional Investor Expense Reimbursement payment shall be fully earned and non-refundable when paid in accordance with this Section 10.1(i), regardless of whether any additional VWAP Purchases or Intraday VWAP Purchases are effected by the Company or settled hereunder or any subsequent termination of this Agreement, it being understood that no Additional Investor Expense Reimbursement shall be payable in any calendar quarter in which the Company does not intend to deliver a VWAP Purchase Notice or an Intraday VWAP Purchase Notice. The Company shall pay all U.S. federal, state and local stamp and other similar transfer and other taxes and duties levied in connection with issuance of the Securities pursuant hereto.

(ii) **Commitment Shares.**

(a) **Initial Commitment Shares.** In consideration for the Investor's execution and delivery of this Agreement, concurrently with the execution and delivery of this Agreement on the Closing Date, the Company shall deliver irrevocable instructions to its transfer agent to issue to the Investor, not later than 4:00 p.m. (New York City time) on the Trading Day immediately following the Closing Date, one or more certificate(s) or book-entry statement(s) representing the Initial Commitment Shares in the name of the Investor or its designee (in which case such designee name shall have been provided to the Company prior to the Closing Date). Such certificate or book-entry statement shall be delivered to the Investor by overnight courier at its address set forth in Section 10.4. For the avoidance of doubt, all of the Initial Commitment Shares shall be fully earned as of the Closing Date, regardless of whether the Commencement shall have occurred, any VWAP Purchases or Intraday VWAP Purchases are effected by the Company or settled hereunder or any subsequent termination of this Agreement. Upon issuance pursuant to this Section 10.1(ii)(a), the Initial Commitment Shares shall constitute "restricted securities" as such term is defined in Rule 144(a)(3) under the Securities Act and, subject to the provisions of subsection (iv) of this Section 10.1, the certificate or book-entry statement representing the Initial Commitment Shares shall bear the restrictive legend set forth below in subsection (iii) of this Section 10.1. The Initial Commitment Shares shall constitute Registrable Securities and shall be included in the Initial Registration Statement and any post-effective amendment thereto, and the Prospectus included therein, and, if necessary to register the resale thereof by the Investor under the Securities Act, in any New Registration Statement and any post-effective amendment thereto, and the Prospectus included therein, in each case in accordance with this Agreement and the Registration Rights Agreement.

(b) **Additional Commitment Shares.** In addition to the issuance of the Initial Commitment Shares pursuant to Section 10.1(ii)(a) above, not later than 4:00 p.m. (New York City time) on the Trading Day on which the Company shall have received from the Investor total aggregate cash proceeds equal to \$25,000,000 as payment for all VWAP Purchase Share Amounts and Intraday VWAP Purchase Share Amounts purchased by the Investor in all VWAP Purchases and Intraday VWAP Purchases (as applicable) effected pursuant to this Agreement, the Company shall deliver irrevocable instructions to its transfer agent to electronically issue and deliver to the Investor or its designee(s) (in which case such designee(s) name shall have been provided to the Company prior to such Trading Day) 179,549 Additional Commitment Shares, so that such Additional Commitment Shares are received by the Investor as DWAC Shares not later than 10:00 a.m. (New York City time) on the next Trading Day. Not later than 4:00 p.m. (New York City time) on the Trading Day on which the Company shall have received from the Investor total aggregate cash proceeds equal to \$50,000,000 as payment for all VWAP Purchase Share Amounts and Intraday VWAP Purchase Share Amounts purchased by the Investor in all VWAP Purchases and Intraday VWAP Purchases (as applicable) effected pursuant to this Agreement, the Company shall deliver irrevocable instructions to its transfer agent to electronically issue and deliver to the Investor or its designee(s) (in which case such designee(s) name shall have been provided to the Company prior to such Trading Day) 179,548 Additional Commitment Shares, so that such Additional Commitment Shares are received by the Investor as DWAC Shares not later than 10:00 a.m. (New York City time) on the next Trading Day. For the avoidance of doubt, such Additional Commitment Shares shall be fully earned as of the date on which they are issuable pursuant to this Section 10.1(ii)(b), regardless of whether any further VWAP Purchases or Intraday VWAP Purchases are effected by the Company or settled hereunder or any subsequent termination of this Agreement. All of the Additional Commitment Shares shall constitute Registrable Securities and shall be included in the Initial Registration Statement and any post-effective amendment thereto, and the Prospectus included therein, and, if necessary to register the resale thereof by the Investor under the Securities Act, in any New Registration Statement and any post-effective amendment thereto, and the Prospectus included therein, in each case in accordance with this Agreement and the Registration Rights Agreement.

(iii) **Legends.** The certificate(s) or book-entry statement(s) representing the Initial Commitment Shares issued prior to the Effective Date of the Initial Registration Statement, except as set forth below, shall bear a restrictive legend in substantially the following form (and stop transfer instructions may be placed against transfer of the Initial Commitment Shares):

THE SECURITIES REPRESENTED HEREBY HAVE NOT BEEN REGISTERED UNDER THE SECURITIES ACT OF 1933, AS AMENDED, OR APPLICABLE STATE SECURITIES LAWS. THE SECURITIES HAVE BEEN ACQUIRED FOR INVESTMENT AND MAY NOT BE OFFERED FOR SALE, SOLD, TRANSFERRED OR ASSIGNED IN THE ABSENCE OF AN EFFECTIVE REGISTRATION STATEMENT FOR THE SECURITIES UNDER THE SECURITIES ACT OF 1933, AS AMENDED, OR APPLICABLE STATE SECURITIES LAWS, UNLESS SOLD PURSUANT TO: (1) RULE 144 UNDER THE SECURITIES ACT OF 1933, AS AMENDED, OR (2) AN OPINION OF COUNSEL, IN A CUSTOMARY FORM, THAT REGISTRATION IS NOT REQUIRED UNDER SAID ACT OR APPLICABLE STATE SECURITIES LAWS.

Notwithstanding the foregoing and for the avoidance of doubt, (i) all Shares to be issued in respect of each VWAP Purchase Notice and all Shares to be issued in respect of each Intraday VWAP Purchase Notice delivered to the Investor pursuant to this Agreement, in each case shall be issued to the Investor in accordance with Section 3.3 by crediting the Investor's or its designees' account at DTC as DWAC Shares, and (ii) all Additional Commitment Shares to be issued to the Investor pursuant to Section 10.1(ii)(b) of this Agreement shall be issued to the Investor in accordance with Section 10.1(ii)(b) by crediting the Investor's or its designees' account at DTC as DWAC Shares, and the Company shall not take any action or give instructions to any transfer agent of the Company otherwise.

(iv) **Irrevocable Transfer Agent Instructions; Notice of Effectiveness.** On the earlier of (a) the Commencement Date and (b) such time that the Investor shall request, provided all conditions of Rule 144 are met, the Company shall, no later than one (1) Trading Day following the delivery by the Investor to the Company or its transfer agent of one or more legended certificates or book-entry statements representing the Initial Commitment Shares issued to the Investor pursuant to Section 10.1(ii)(a) (which certificates or book-entry statements the Investor shall promptly deliver on or prior to the first to occur of the events described in clauses (a) and (b) of this sentence), cause the Company's transfer agent to credit the Investor's or its designee's account at DTC as DWAC Shares such number of shares of Common Stock equal to the number of Initial Commitment Shares issued to the Investor pursuant to Section 10.1(ii)(a). The Company shall take all actions to carry out the intent and accomplish the purposes of the immediately preceding sentence, including, without limitation, delivering all such legal opinions, consents, certificates, resolutions and instructions to its transfer agent, and any successor transfer agent of the Company, as may be requested from time to time by the Investor or necessary or desirable to carry out the intent and accomplish the purposes of the immediately preceding sentence. On the Effective Date of the Initial Registration Statement and prior to Commencement, the Company shall deliver or cause to be delivered to its transfer agent (and thereafter, shall deliver or cause to be delivered to any subsequent transfer agent of the Company), (i) irrevocable instructions executed by the Company and acknowledged in writing by the Company's transfer agent (the "**Commencement Irrevocable Transfer Agent Instructions**") and (ii) the notice of effectiveness in the form attached as an exhibit to the Registration Rights Agreement (the "**Notice of Effectiveness**") relating to the Initial Registration Statement executed by the Company's outside counsel, in each case directing the Company's transfer agent to issue to the Investor or its designee all of the Initial Commitment Shares, the Additional Commitment Shares and the Shares included in the Initial Registration Statement as DWAC Shares in accordance with this Agreement and the Registration Rights Agreement. With respect to any post-effective amendment to the Initial Registration Statement, any New Registration Statement or any post-effective amendment to any New Registration Statement, in each case declared effective by the Commission after the Commencement Date, the Company shall deliver or cause to be delivered to its transfer agent (and thereafter, shall deliver or cause to be delivered to any subsequent transfer agent of the Company) (i) irrevocable instructions in the form substantially similar to the Commencement Irrevocable Transfer Agent Instructions executed by the Company and acknowledged in writing by the Company's transfer agent and (ii) the Notice of Effectiveness, in each case modified as necessary

to refer to such Registration Statement or post-effective amendment and the Registrable Securities included therein, to issue the Registrable Securities included therein as DWAC Shares in accordance with the terms of this Agreement and the Registration Rights Agreement. For the avoidance of doubt, all Shares, Initial Commitment Shares and Additional Commitment Shares to be issued and delivered from and after Commencement to or for the benefit of the Investor pursuant to this Agreement shall be issued and delivered to the Investor or its designee only as DWAC Shares. The Company represents and warrants to the Investor that, while this Agreement is effective, no instruction other than those referred to in this Section 10.1(iv) will be given by the Company to its transfer agent, or any successor transfer agent of the Company, with respect to the Shares, the Initial Commitment Shares and the Additional Commitment Shares from and after Commencement, and the Shares, the Initial Commitment Shares and the Additional Commitment Shares covered by the Initial Registration Statement or any post-effective amendment thereof, or any New Registration Statement or post-effective amendment thereof, as applicable, shall otherwise be freely transferable on the books and records of the Company and no stop transfer instructions shall be maintained against the transfer thereof. The Company agrees that if the Company fails to fully comply with the provisions of this Section 10.1(iv) within three (3) Trading Days after the date on which the Investor has provided the deliverables referred to above that the Investor is required to provide to the Company or its transfer agent, the Company shall, at the Investor's written instruction, purchase from the Investor all shares of Common Stock acquired by the Investor pursuant to this Agreement that contain the restrictive legend referred to in Section 10.1(iii) hereof (or any similar restrictive legend), or that have any stop transfer orders maintained that prohibit or impede the transfer thereof in any respect, at the greater of (i) the purchase price paid for such shares of Common Stock (as applicable) and (ii) the Closing Sale Price of the Common Stock on the date of the Investor's written instruction.

Section 10.2. Specific Enforcement, Consent to Jurisdiction, Waiver of Jury Trial.

(i) The Company and the Investor acknowledge and agree that irreparable damage would occur in the event that any of the provisions of this Agreement were not performed in accordance with their specific terms or were otherwise breached. It is accordingly agreed that either party shall be entitled to an injunction or injunctions to prevent or cure breaches of the provisions of this Agreement by the other party and to enforce specifically the terms and provisions hereof (without the necessity of showing economic loss and without any bond or other security being required), this being in addition to any other remedy to which either party may be entitled by law or equity.

(ii) Each of the Company and the Investor (a) hereby irrevocably submits to the jurisdiction of the U.S. District Court and other courts of the United States sitting in the State of New York for the purposes of any suit, action or proceeding arising out of or relating to this Agreement, and (b) hereby waives, and agrees not to assert in any such suit, action or proceeding, any claim that it is not personally subject to the jurisdiction of such court, that the suit, action or proceeding is brought in an inconvenient forum or that the venue of the suit, action or proceeding is improper. Each of the Company and the Investor consents to process being served in any such suit, action or proceeding by mailing a copy thereof to such party at the address in effect for notices to it under this Agreement and agrees that such service shall constitute good and sufficient service of process and notice thereof. Nothing in this Section 10.2 shall affect or limit any right to serve process in any other manner permitted by law.

Section 10.8. Construction. The parties agree that each of them and their respective counsel has reviewed and had an opportunity to revise the Transaction Documents and, therefore, the normal rule of construction to the effect that any ambiguities are to be resolved against the drafting party shall not be employed in the interpretation of the Transaction Documents. In addition, each and every reference to share prices (including the Threshold Price) and number of shares of Common Stock in any Transaction Document shall, in all cases, be subject to adjustment for any stock splits, stock combinations, stock dividends, recapitalizations, reorganizations and other similar transactions that occur on or after the date of this Agreement. Section 10.10. No Third Party Beneficiaries. Except as expressly provided in Article IX, this Agreement is intended only for the benefit of the parties hereto and their respective successors, and is not for the benefit of, nor may any provision hereof be enforced by, any other Person.

Section 10.11. Governing Law. This Agreement shall be governed by and construed in accordance with the internal procedural and substantive laws of the State of New York, without giving effect to any laws or rules of such state that would cause the application of the laws of any other jurisdiction.

Section 10.12. Survival. The representations, warranties, covenants and agreements of the Company and the Investor contained in this Agreement shall survive the execution and delivery hereof until the termination of this Agreement; provided, however, that (i) the provisions of Article V (Representations, Warranties and Covenants of the Company), Article VIII (Termination), Article IX (Indemnification) and this Article X (Miscellaneous) shall remain in full force and effect indefinitely notwithstanding such termination, and, (ii) so long as the Investor owns any Securities, the covenants and agreements of the Company and the Investor contained in Article VI (Additional Covenants), shall remain in full force and effect notwithstanding such termination for a period of six (6) months following such termination.

Section 10.13. Counterparts. This Agreement may be executed in two or more identical counterparts, all of which shall be considered one and the same agreement and shall become effective when counterparts have been signed by each party and delivered to the other party; provided that a facsimile signature or signature delivered by e-mail in a “.pdf” format data file, including any electronic signature complying with the U.S. federal ESIGN Act of 2000, e.g., www.docuSign.com, www.echosign.adobe.com, etc., shall be considered due execution and shall be binding upon the signatory thereto with the same force and effect as if the signature were an original signature.

For the avoidance of doubt, the Company shall not be required to submit for review any such disclosure (i) contained in periodic reports filed with the Commission under the Exchange Act if it shall have previously provided substantially the same disclosure to the Investor or its counsel for review in connection with a previous filing or (ii) any Prospectus Supplement if it contains disclosure that does not reference the Investor, its purchases hereunder or any aspect of the Transaction Documents or the transactions contemplated thereby.

Section 10.15. Severability. The provisions of this Agreement are severable and, in the event that any court of competent jurisdiction shall determine that any one or more of the provisions or part of the provisions contained in this Agreement shall, for any reason, be held to be invalid, illegal or unenforceable in any respect, such invalidity, illegality or unenforceability shall not affect any other provision or part of a provision of this Agreement, and this Agreement shall be reformed and construed as if such invalid or illegal or unenforceable provision, or part of such provision, had never been contained herein, so that such provisions would be valid, legal and enforceable to the maximum extent possible.

Section 10.16. Further Assurances. From and after the Closing Date, upon the request of the Investor or the Company, each of the Company and the Investor shall execute and deliver such instrument, documents and other writings as may be reasonably necessary or desirable to confirm and carry out and to effectuate fully the intent and purposes of this Agreement.

“**VWAP Purchase Ending Time**” means, with respect to a VWAP Purchase made pursuant to Section 3.1, the time on the Purchase Date for such VWAP Purchase that is the earliest of: (i) 3:59 p.m., New York City time, on the applicable Purchase Date for such VWAP Purchase, or such earlier time publicly announced by the Trading Market (or, if the Common Stock is then listed on an Eligible Market, by such Eligible Market) as the official close of the primary (or “regular”) trading session on the Trading Market (or on such Eligible Market, as applicable) on such Purchase Date; (ii) immediately at such time following the VWAP Purchase Commencement Time of the VWAP Purchase Period for such VWAP Purchase that the total number (or volume) of shares of Common Stock traded on the Trading Market (or on such Eligible Market, as applicable) during such VWAP Purchase Period has exceeded the applicable VWAP Purchase Share Volume Maximum for such VWAP Purchase; provided, however, that the calculation of the total number (or volume) of shares of Common Stock traded on the Trading Market (or on such Eligible Market, as applicable) during such VWAP Purchase Period shall exclude from such calculation (A) the opening or first purchase of Common Stock at or following the official open of such primary (or “regular”) trading session that is reported in the consolidated system on such Purchase Date and (B) the last or closing sale of Common Stock at or prior to the official close of such primary (or “regular”) trading session that is reported in the consolidated system on such Purchase Date (as applicable); and (iii) immediately at such time following the VWAP Purchase Commencement Time of the VWAP Purchase Period for such VWAP Purchase that the Sale Price of any share of Common Stock traded on the Trading Market (or on such Eligible Market, as applicable) during such VWAP Purchase Period is less than the applicable VWAP Purchase Minimum Price Threshold; provided, however, that the determination of whether the Sale Price of any share of Common Stock traded during such VWAP Purchase Period is less than the applicable VWAP Purchase Minimum Price Threshold shall exclude (A) the opening or first purchase of Common Stock at or following the official open of such primary (or “regular”) trading session that is reported in the consolidated system on such Purchase Date and (B) the last or closing sale of Common Stock at or prior to the official close of such primary (or “regular”) trading session that is reported in the consolidated system on such Purchase Date (as applicable) (in each case, to be appropriately adjusted for any reorganization, recapitalization, non-cash dividend, stock split, reverse stock split or other similar transaction).

“VWAP Purchase Maximum Amount” means, with respect to a VWAP Purchase made pursuant to Section 3.1, such number of shares of Common Stock equal to the lesser of: (i) 1,000,000, and (ii) the product of (a) the Purchase Share Percentage, multiplied by (b) the total number (or volume) of shares of Common Stock traded on the Trading Market (or on such Eligible Market, as applicable) during the VWAP Purchase Period for such VWAP Purchase; provided, however, that the calculation of the total number (or volume) of shares of Common Stock traded on the Trading Market (or on such Eligible Market, as applicable) during such VWAP Purchase Period shall exclude from such calculation (A) the opening or first purchase of Common Stock at or following the official open of such primary (or “regular”) trading session that is reported in the consolidated system on such Purchase Date and (B) the last or closing sale of Common Stock at or prior to the official close of such primary (or “regular”) trading session that is reported in the consolidated system on such Purchase Date (as applicable) (in each case, to be appropriately adjusted for any reorganization, recapitalization, non-cash dividend, stock split, reverse stock split or other similar transaction).

“VWAP Purchase Notice” means, with respect to a VWAP Purchase made pursuant to Section 3.1, an irrevocable written notice delivered by the Company to the Investor, and received by the Investor, after 6:00 a.m., New York City time, and prior to 9:00 a.m., New York City time, on the Purchase Date for such VWAP Purchase, directing the Investor to purchase a specified VWAP Purchase Share Amount (such specified VWAP Purchase Share Amount subject to adjustment as set forth in Section 3.1 as necessary to give effect to the VWAP Purchase Maximum Amount), at the applicable VWAP Purchase Price therefor on such Purchase Date for such VWAP Purchase in accordance with this Agreement.

Common Stock at or following the official open of the primary (or “regular”) trading session on the Trading Market (or, if the Common Stock is then listed on an Eligible Market, on such Eligible Market) on the Purchase Date for such VWAP Purchase has occurred, shall exclude from such calculation such opening or first purchase of Common Stock at or following the official open of such primary (or “regular”) trading session that is reported in the consolidated system on such Purchase Date, and (B) during which VWAP Purchase Period the last or closing sale of Common Stock at or prior to the official close of the primary (or “regular”) trading session on the Trading Market (or on such Eligible Market, as applicable) on the Purchase Date for such VWAP Purchase has occurred (as applicable), shall exclude from such calculation such last or closing sale of Common Stock at or prior to the official close of such primary (or “regular”) trading session that is reported in the consolidated system on such Purchase Date. All such calculations shall be appropriately adjusted for any stock dividend, stock split, stock combination, recapitalization or other similar transaction.

“**VWAP Purchase Share Amount**” means, with respect to a VWAP Purchase made pursuant to Section 3.1, the total number of Shares to be purchased by the Investor in such VWAP Purchase as specified by the Company in the applicable VWAP Purchase Notice for such VWAP Purchase, which total number of Shares shall not exceed the VWAP Purchase Maximum Amount applicable to such VWAP Purchase (and such number of Shares specified by the Company in the applicable VWAP Purchase Notice for such VWAP Purchase shall be subject to automatic adjustment in accordance with Section 3.1 hereof as necessary to give effect to the VWAP Purchase Maximum Amount limitation applicable to such VWAP Purchase as set forth in this Agreement).

“**VWAP Purchase Share Volume Maximum**” means, with respect to a VWAP Purchase made pursuant to Section 3.1, a number of shares of Common Stock equal to the quotient obtained by dividing (i) the VWAP Purchase Share Amount to be purchased by the Investor in such VWAP Purchase, by (ii) the Purchase Share Percentage (to be appropriately adjusted for any reorganization, recapitalization, non-cash dividend, stock split, reverse stock split or other similar transaction).

The Initial Registration Statement shall contain the “Selling Stockholder” and “Plan of Distribution” sections in substantially the form attached hereto as Exhibit B. Except as provided under Section 10.1(i) of the Purchase Agreement, the Company shall have no obligation to reimburse the Investor for any and all legal fees and expenses of the Legal Counsel incurred in connection with the transactions contemplated hereby.

(c) Sufficient Number of Shares Registered. If at any time all Registrable Securities are not covered by the Initial Registration Statement filed pursuant to Section 2(a) as a result of Section 2(e) or otherwise, the Company shall use its commercially reasonable efforts to file with the Commission one or more additional Registration Statements so as to cover all of the Registrable Securities not covered by the Initial Registration Statement, in each case, as soon as practicable (taking into account any position of the staff of the Commission (“**Staff**”) with respect to the date on which the Staff will permit such additional Registration Statement(s) to be filed with

(e) Offering. If the Staff or the Commission seeks to characterize any offering pursuant to a Registration Statement filed pursuant to this Agreement as constituting an offering of securities that does not permit such Registration Statement to become effective and be used for resales by the Investor on a delayed or continuous basis under Rule 415 at then-prevailing market prices (and not fixed prices), or if after the filing of any Registration Statement pursuant to Section 2(a) or Section 2(c), the Company is otherwise required by the Staff or the Commission to reduce the number of Registrable Securities included in such Registration Statement, then the Company shall reduce the number of Registrable Securities to be included in such Registration Statement (after consultation with the Investor and Legal Counsel as to the specific Registrable Securities to be removed therefrom) until such time as the Staff and the Commission shall so permit such Registration Statement to become effective and be used as aforesaid. Notwithstanding anything in this Agreement to the contrary, if after giving effect to the actions referred to in the immediately preceding sentence, the Staff or the Commission does not permit such Registration Statement to become effective and be used for resales by the Investor on a delayed or continuous basis under Rule 415 at then-prevailing market prices (and not fixed prices), the Company shall not request acceleration of the Effective Date of such Registration Statement, the Company shall promptly (but in no event later than 48 hours) request the withdrawal of such Registration Statement pursuant to Rule 477 under the Securities Act, and the Effectiveness Deadline shall automatically be deemed to have elapsed with respect to such Registration Statement at such time as the Staff or the Commission has made a final and non-appealable determination that the Commission will not permit such Registration Statement to be so utilized (unless prior to such time the Company has received assurances from the Staff or the Commission that a New Registration Statement filed by the Company with the Commission promptly thereafter may be so utilized). In the event of any reduction in Registrable Securities pursuant to this paragraph, the Company shall use its commercially reasonable efforts to file one or more New Registration Statements with the Commission in accordance with Section 2(c) until such time as all Registrable Securities have been included in Registration Statements that have been declared effective and the Prospectuses contained therein are available for use by the Investor.

(f) Any Registrable Security shall cease to be a “Registrable Security” at the earliest of the following: (i) when a Registration Statement covering such Registrable Security becomes or has been declared effective by the Commission and such Registrable Security has been sold or disposed of pursuant to such effective Registration Statement; and (ii) the date that is the later of (A) the first (1st) anniversary of the effective date of termination of the Purchase Agreement in accordance with Article VIII of the Purchase Agreement and (B) the first (1st) anniversary of the date of the last sale of any Registrable Securities by the Company to the Investor pursuant to the Purchase Agreement.

3. Related Obligations.

The Company shall use its commercially reasonable efforts to effect the registration of the Registrable Securities in accordance with the intended method of disposition thereof, and, pursuant thereto, during the term of this Agreement, the Company shall have the following obligations:

(a) The Company shall promptly prepare and file with the Commission the Initial Registration Statement pursuant to Section 2(a) hereof and one or more New Registration Statements pursuant to Section 2(c) hereof with respect to the Registrable Securities, but in no event later than the applicable Filing Deadline therefor, and the Company shall use its commercially reasonable efforts to cause each such Registration Statement to become effective as soon as practicable after such filing, but in no event later than the applicable Effectiveness Deadline therefor. Subject to Allowable Grace Periods, the Company shall keep each Registration Statement effective (and the Prospectus contained therein available for use) pursuant to Rule 415 for resales by the Investor on a continuous basis at then-prevailing market prices (and not fixed prices) at all times until the earlier of (i) the date on which the Investor shall have sold all of the Registrable Securities covered by such Registration Statement and (ii) the date of termination of the Purchase Agreement if as of such termination date the Investor holds no Registrable Securities (or, if applicable, the date on which such securities cease to be Registrable Securities after the date of termination of the Purchase Agreement) (the “**Registration Period**”). Notwithstanding anything to the contrary contained in this Agreement (but subject to the provisions of Section 3(p) hereof), the Company shall ensure that, when filed and at all times while effective, each Registration Statement (including, without limitation, all amendments and supplements thereto) and the Prospectus (including, without limitation, all amendments and supplements thereto) used in connection with such Registration Statement shall not contain any untrue statement of a material fact or omit to state a material fact required to be stated therein, or necessary to make the statements therein (in the case of Prospectuses, in the light of the circumstances in which they were made) not misleading. The Company shall submit to the Commission, as soon as reasonably practicable after the date that the Company learns that no review of a particular Registration Statement will be made by the Staff or that the Staff has no further comments on a particular Registration Statement (as the case may be), a request for acceleration of effectiveness of such Registration Statement to a time and date as soon as reasonably practicable in accordance with Rule 461 under the Securities Act.

(b) Subject to Section 3(p) of this Agreement, the Company shall use its commercially reasonable efforts to prepare and file with the Commission such amendments (including, without limitation, post-effective amendments) and supplements to each Registration Statement and the Prospectus used in connection with each such Registration Statement, which Prospectus is to be filed pursuant to Rule 424 promulgated under the Securities Act, as may be necessary to keep each such Registration Statement effective (and the Prospectus contained therein current and available for use) at all times during the Registration Period for such Registration Statement, and, during such period, comply with the provisions of the Securities Act with respect to the disposition of all Registrable Securities of the Company required to be covered by such Registration Statement until such time as all of such Registrable Securities shall have been disposed of in accordance with the

intended methods of disposition by the Investor. Without limiting the generality of the foregoing, the Company covenants and agrees that (i) at or before 8:30 a.m. (New York City time) on the Trading Day immediately following the Effective Date of the Initial Registration Statement and any New Registration Statement (or any post-effective amendment thereto), the Company shall file with the Commission in accordance with Rule 424(b) under the Securities Act the final Prospectus to be used in connection with sales pursuant to such Registration Statement (or post-effective amendment thereto), and (ii) if the transactions contemplated by any one or more VWAP Purchases and/or any one or more Intraday VWAP Purchases are material to the Company (individually or collectively), the material terms of which have not previously been described in the Prospectus or any Prospectus Supplement filed with the Commission under Rule 424(b) under the Securities Act (or in any periodic report, statement, schedule or other document filed by the Company with the Commission under the Exchange Act and incorporated by reference in the Registration Statement and the Prospectus), or if otherwise required under the Securities Act (or the public written interpretive guidance of the Staff of the Commission relating thereto), in each case as reasonably and mutually determined by the Company and the Investor, then, no later than (i) 9:00 a.m., New York City time, on the Purchase Date for such VWAP Purchase and (ii) as soon as reasonably practicable on the Purchase Date for such Intraday VWAP Purchase(s), the Company shall file with the Commission a Prospectus Supplement pursuant to Rule 424(b) under the Securities Act with respect to such VWAP Purchase(s) and such Intraday VWAP Purchase(s) (as applicable) requiring such filing, disclosing the total number of Shares that are to be issued and sold to the Investor pursuant to such VWAP Purchase(s) and Intraday VWAP Purchase(s) (as applicable), the total purchase price for the Shares subject thereto, the applicable purchase price(s) for such Shares and the estimated net proceeds to be received by the Company from the sale of such Shares. To the extent not previously disclosed in the Prospectus or a Prospectus Supplement, the Company shall disclose in its Quarterly Reports on Form 10-Q and in its Annual Reports on Form 10-K the information described in the immediately preceding sentence relating to all VWAP Purchase(s) and all Intraday VWAP Purchase(s) (as applicable) effected and settled during the relevant fiscal quarter and shall file such Quarterly Reports on Form 10-Q and Annual Reports on Form 10-K with the Commission within the applicable time period prescribed for such report under the Exchange Act. In the case of amendments and supplements to any Registration Statement on Form S-1 or Prospectus related thereto which are required to be filed pursuant to this Agreement (including, without limitation, pursuant to this Section 3(b)) by reason of the Company filing a report on Form 8-K, Form 10-Q or Form 10-K or any analogous report under the Exchange Act, the Company shall have incorporated such report by reference into such Registration Statement and Prospectus, if applicable, or shall promptly file such amendments or supplements to the Registration Statement or Prospectus with the Commission, for the purpose of including or incorporating such report into such Registration Statement and Prospectus. The Company consents to the use of the Prospectus (including, without limitation, any supplement thereto) included in each Registration Statement in accordance with the provisions of the Securities Act and with the securities or "Blue Sky" laws of the jurisdictions in which the Registrable Securities may be sold by the Investor, in connection with the resale of the Registrable Securities and for such period of time thereafter as such Prospectus (including, without limitation, any supplement thereto) (or in lieu thereof, the notice referred to in Rule 173(a) under the Securities Act) is required by the Securities Act to be delivered in connection with resales of Registrable Securities.

(c) The Company shall (A) permit Legal Counsel an opportunity to review and comment upon (i) each Registration Statement at least two (2) Business Days prior to its filing with the Commission and (ii) all amendments and supplements to each Registration Statement (including, without limitation, the Prospectus contained therein) (except for Annual Reports on Form 10-K, Quarterly Reports on Form 10-Q, Current Reports on Form 8-K, and any similar or successor reports or Prospectus Supplements the contents of which is limited to that set forth in such reports) within a reasonable number of days prior to their filing with the Commission, and (B) shall reasonably consider any comments of the Investor and Legal Counsel on any such Registration Statement or amendment or supplement thereto or to any Prospectus contained therein. The Company shall promptly furnish to Legal Counsel, without charge, (i) electronic copies of any correspondence from the Commission or the Staff to the Company or its representatives relating to each Registration Statement (which correspondence shall be redacted to exclude any material, non-public information regarding the Company or any of its Subsidiaries), (ii) after the same is prepared and filed with the Commission, one (1) electronic copy of each Registration Statement and any amendment(s) and supplement(s) thereto, including, without limitation, financial statements and schedules, all documents incorporated therein by reference, if requested by the Investor, and all exhibits and (iii) upon the effectiveness of each Registration Statement, one (1) electronic copy of the Prospectus included in such Registration Statement and all amendments and supplements thereto; provided, however, the Company shall not be required to furnish any document (other than the Prospectus, which may be provided in .PDF format) to Legal Counsel to the extent such document is available on EDGAR.

(d) Without limiting any obligation of the Company under the Purchase Agreement, the Company shall promptly furnish to the Investor, without charge, (i) after the same is prepared and filed with the Commission, at least one (1) electronic copy of each Registration Statement and any amendment(s) and supplement(s) thereto, including, without limitation, financial statements and schedules, all documents incorporated therein by reference, if requested by the Investor, all exhibits thereto, (ii) upon the effectiveness of each Registration Statement, one (1) electronic copy of the Prospectus included in such Registration Statement and all amendments and supplements thereto (or such other number of copies as the Investor may reasonably request from time to time) and (iii) such other documents, including, without limitation, copies of any final Prospectus and any Prospectus Supplement thereto, as the Investor may reasonably request from time to time in order to facilitate the disposition of the Registrable Securities owned by the Investor; provided, however, the Company shall not be required to furnish any document (other than the Prospectus, which may be provided in .PDF format) to the Investor to the extent such document is available on EDGAR.

(e) The Company shall take such action as is reasonably necessary to (i) register and qualify, unless an exemption from registration and qualification applies, the resale by the Investor of the Registrable Securities covered by a Registration Statement under such other securities or “Blue Sky” laws of all applicable jurisdictions in the United States, (ii) prepare and file in those jurisdictions, such amendments (including, without limitation, post-effective amendments) and supplements to such registrations and qualifications as may be necessary to maintain the effectiveness thereof during the Registration Period, (iii) take such other actions as may be reasonably necessary to maintain such registrations and qualifications in effect at all times during the Registration Period, and (iv) take all other actions reasonably necessary or advisable to qualify the Registrable Securities for sale in such jurisdictions; provided, however, the Company shall not be required in connection therewith or as a condition thereto to (x) qualify to do business in any jurisdiction where it would not otherwise be required to qualify but for this Section 3(e), (y) subject

itself to general taxation in any such jurisdiction, or (z) file a general consent to service of process in any such jurisdiction. The Company shall promptly notify Legal Counsel and the Investor of the receipt by the Company of any notification with respect to the suspension of the registration or qualification of any of the Registrable Securities for sale under the securities or "Blue Sky" laws of any jurisdiction in the United States or its receipt of actual notice of the initiation or threatening of any proceeding for such purpose.

(f) The Company shall notify Legal Counsel and the Investor in writing of the happening of any event, as promptly as reasonably practicable after becoming aware of such event, as a result of which the Prospectus included in a Registration Statement, as then in effect, includes an untrue statement of a material fact or omits to state a material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading (provided that in no event shall such notice contain any material, non-public information regarding the Company or any of its Subsidiaries), and, subject to Section 3(p), promptly prepare a supplement or amendment to such Registration Statement and such Prospectus contained therein to correct such untrue statement or omission and deliver one (1) electronic copy of such supplement or amendment to Legal Counsel and the Investor (or such other number of copies as Legal Counsel or the Investor may reasonably request). The Company shall also promptly notify Legal Counsel and the Investor in writing (i) when a Prospectus or any Prospectus Supplement or post-effective amendment has been filed, when a Registration Statement or any post-effective amendment has become effective (notification of such effectiveness shall be delivered to Legal Counsel and the Investor by facsimile or e-mail on the same day of such effectiveness), and when the Company receives written notice from the Commission that a Registration Statement or any post-effective amendment will be reviewed by the Commission, (ii) of any request by the Commission for amendments or supplements to a Registration Statement or related Prospectus or related information, (iii) of the Company's reasonable determination that a post-effective amendment to a Registration Statement would be appropriate and (iv) of the receipt of any request by the Commission or any other federal or state governmental authority for any additional information relating to the Registration Statement or any amendment or supplement thereto or any related Prospectus. The Company shall also advise the Investor promptly (but in no event later than 24 hours) and shall confirm such advice in writing of the Company becoming aware of the happening of any event, which makes any statement made in the FINRA Filing untrue or which requires the making of any additions to or changes to the statements then made in the FINRA Filing in order to comply with FINRA Rules 5110 and 5121. The Company shall respond as promptly as reasonably practicable to any comments received from the Commission with respect to a Registration Statement or any amendment thereto. Nothing in this Section 3(f) shall limit any obligation of the Company under the Purchase Agreement.

(g) The Company shall (i) use its commercially reasonable efforts to prevent the issuance of any stop order or other suspension of effectiveness of a Registration Statement or the use of any Prospectus contained therein, or the suspension of the qualification, or the loss of an exemption from qualification, of any of the Registrable Securities for sale in any jurisdiction and, if such an order or suspension is issued, to obtain the withdrawal of such order or suspension at the earliest possible time and (ii) notify Legal Counsel and the Investor of the issuance of such order and the resolution thereof or its receipt of actual notice of the initiation or threat of any proceeding.

(h) The Company shall hold in confidence and not make any disclosure of information concerning the Investor provided to the Company unless (i) disclosure of such information is necessary to comply with federal or state securities laws, (ii) the disclosure of such information is necessary to avoid or correct a misstatement or omission in any Registration Statement or is otherwise required to be disclosed in such Registration Statement pursuant to the Securities Act, (iii) the release of such information is ordered pursuant to a subpoena or other final, non-appealable order from a court or governmental body of competent jurisdiction, or (iv) such information has been made generally available to the public other than by disclosure in violation of this Agreement or any other Transaction Document. The Company agrees that it shall, upon learning that disclosure of such information concerning the Investor is sought in or by a court or governmental body of competent jurisdiction or through other means, give prompt written notice to the Investor and allow the Investor, at the Investor's expense, to undertake appropriate action to prevent disclosure of, or to obtain a protective order for, such information.

(i) Without limiting any obligation of the Company under the Purchase Agreement, the Company shall use its commercially reasonable efforts either to (i) cause all of the Registrable Securities covered by each Registration Statement to be listed on the Trading Market, or (ii) secure designation and quotation of all of the Registrable Securities covered by each Registration Statement on another Eligible Market. The Company shall pay all fees and expenses in connection with satisfying its obligation under this Section 3(i).

(j) The Company shall cooperate with the Investor and, to the extent applicable, facilitate the timely preparation and delivery of Registrable Securities, as DWAC Shares, to be offered pursuant to a Registration Statement and enable such DWAC Shares to be in such denominations or amounts (as the case may be) as the Investor may reasonably request from time to time and registered in such names as the Investor may request. Investor hereby agrees that it shall cooperate with the Company, its counsel and its transfer agent in connection with any issuances of DWAC Shares, and hereby represents, warrants and covenants to the Company that it will resell such DWAC Shares only pursuant to the Registration Statement in which such DWAC Shares are included, in a manner described under the caption "Plan of Distribution" in such Registration Statement, and in a manner in compliance with all applicable U.S. federal and state securities laws, rules and regulations, including, without limitation, any applicable prospectus delivery requirements of the Securities Act. At the time such DWAC Shares are offered and sold pursuant to the Registration Statement, such DWAC Shares shall be free from all restrictive legends may be transmitted by the Company's transfer agent to the Investor by crediting an account at DTC as directed in writing by the Investor.

(k) Upon the written request of the Investor, the Company shall as soon as reasonably practicable after receipt of notice from the Investor and subject to Section 3(p) hereof, (i) incorporate in a Prospectus Supplement or post-effective amendment such information as the Investor reasonably requests to be included therein relating to the sale and distribution of Registrable Securities, including, without limitation, information with respect to the number of Registrable Securities being offered or sold, the purchase price being paid therefor and any other terms of the offering of the Registrable Securities to be sold in such offering; (ii) make all required filings of such Prospectus Supplement or post-effective amendment after being notified of the matters to be incorporated in such Prospectus Supplement or post-effective amendment; and (iii) supplement or make amendments to any Registration Statement or Prospectus contained therein if reasonably requested by the Investor.

(l) [Reserved]

(m) The Company shall make generally available to its security holders (which may be satisfied by making such information available on EDGAR) as soon as practical, but not later than ninety (90) days after the close of the period covered thereby, an earnings statement (in form complying with, and in the manner provided by, the provisions of Rule 158 under the Securities Act) covering a twelve-month period beginning not later than the first day of the Company's fiscal quarter next following the applicable Effective Date of each Registration Statement.

(n) The Company shall otherwise use its commercially reasonable efforts to comply with all applicable rules and regulations of the Commission in connection with any registration hereunder.

(o) Within one (1) Business Day after each Registration Statement which covers Registrable Securities is declared effective by the Commission, the Company shall deliver, and shall cause legal counsel for the Company to deliver, to the transfer agent for such Registrable Securities (with copies to the Investor) confirmation that such Registration Statement has been declared effective by the Commission in the form attached hereto as Exhibit A.

(p) Notwithstanding anything to the contrary contained herein (but subject to the last sentence of this Section 3(p)), at any time after the Effective Date of a particular Registration Statement, the Company may, upon written notice to Investor, suspend Investor's use of any prospectus that is a part of any Registration Statement (in which event the Investor shall discontinue sales of the Registrable Securities pursuant to such Registration Statement contemplated by this Agreement, but shall settle any previously made sales of Registrable Securities) if the Company (x) is pursuing an acquisition, merger, tender offer, reorganization, disposition or other similar transaction and the Company determines in good faith that (A) the Company's ability to pursue or consummate such a transaction would be materially adversely affected by any required disclosure of such transaction in such Registration Statement or other registration statement or (B) such transaction renders the Company unable to comply with Commission requirements, in each case under circumstances that would make it impractical or inadvisable to cause any Registration Statement (or such filings) to be used by Investor or to promptly amend or supplement any Registration Statement contemplated by this Agreement on a post effective basis, as applicable, or (y) has experienced some other material non-public event the disclosure of which at such time, in the good faith judgment of the Company, would materially adversely affect the Company (each, an "**Allowable Grace Period**"); *provided, however*, that in no event shall the Investor be suspended from selling Registrable Securities pursuant to any Registration Statement for a period that exceeds twenty (20) consecutive Trading Days or an aggregate of sixty (60) Trading Days in any 365-day period; and *provided, further*, the Company shall not effect any such suspension during (A) the first ten (10) consecutive Trading Days after the Effective Date of the particular Registration Statement or (B) the five-Trading Day period commencing on the Purchase Date for each VWAP Purchase and for each Intraday VWAP Purchase (as applicable). Upon disclosure of such information or the termination of the condition described above, the Company shall provide prompt notice, but in any event within one Business

Day of such disclosure or termination, to the Investor and shall promptly terminate any suspension of sales it has put into effect and shall take such other reasonable actions to permit registered sales of Registrable Securities as contemplated in this Agreement (including as set forth in the first sentence of Section 3(f) with respect to the information giving rise thereto unless such material, non-public information is no longer applicable). Notwithstanding anything to the contrary contained in this Section 3(p), the Company shall cause its transfer agent to deliver DWAC Shares to a transferee of the Investor in accordance with the terms of the Purchase Agreement in connection with any sale of Registrable Securities with respect to which (i) the Company has made a sale to Investor and (ii) the Investor has entered into a contract for sale, and delivered a copy of the Prospectus included as part of the particular Registration Statement to the extent applicable, in each case prior to the Investor's receipt of the notice of an Allowable Grace Period and for which the Investor has not yet settled.

4. Obligations of the Investor.

(a) At least five (5) Business Days prior to the first anticipated filing date of each Registration Statement (or such shorter period to which the parties agree), the Company shall notify the Investor in writing of the information the Company requires from the Investor with respect to such Registration Statement. It shall be a condition precedent to the obligations of the Company to complete the registration pursuant to this Agreement with respect to the Registrable Securities of the Investor that the Investor shall furnish to the Company such information regarding itself, the Registrable Securities held by it and the intended method of disposition of the Registrable Securities held by it, as shall be reasonably required to effect and maintain the effectiveness of the registration of such Registrable Securities and shall execute such documents in connection with such registration as the Company may reasonably request.

(b) The Investor, by its acceptance of the Registrable Securities, agrees to cooperate with the Company as reasonably requested by the Company in connection with the preparation and filing of each Registration Statement hereunder, unless the Investor has notified the Company in writing of the Investor's election to exclude all of the Investor's Registrable Securities from such Registration Statement.

(c) The Investor agrees that, upon receipt of any notice from the Company of the happening of any event of the kind described in Section 3(p) or the first sentence of 3(f), the Investor shall immediately discontinue disposition of Registrable Securities pursuant to any Registration Statement(s) covering such Registrable Securities until the Investor's receipt of the copies of the supplemented or amended Prospectus contemplated by Section 3(p) or the first sentence of Section 3(f) or receipt of notice that no supplement or amendment is required. Notwithstanding anything to the contrary in this Section 4(c), the Company shall cause its transfer agent to deliver DWAC Shares to a transferee of the Investor in accordance with the terms of the Purchase Agreement in connection with any sale of Registrable Securities with respect to which the Investor has entered into a contract for sale prior to the Investor's receipt of a notice from the Company of the happening of a notice of the kind described in Section 3(p) or the first sentence of Section 3(f) and for which the Investor has not yet settled.

(d) The Investor covenants and agrees that it shall comply with the prospectus delivery and other requirements of the Securities Act as applicable to it in connection with sales of Registrable Securities pursuant to a Registration Statement.

5. Expenses of Registration.

Each party shall bear its own fees and expenses related to the transactions contemplated by this Agreement. For the avoidance of doubt, the Company shall pay for all registration, listing and qualifications fees, printers and Company accounting fees, and fees and disbursements of counsel for the Company; and the Investor shall pay any sales or brokerage commissions and fees and disbursements of counsel for, and other expenses of, the Investor incurred in connection with the registrations, filings or qualifications pursuant to Section 2 and 3, and all U.S. federal, state and local stamp and other similar transfer and other taxes and duties levied in connection with the sale of the Securities pursuant hereto.

6. Indemnification.

(a) In the event any Registrable Securities are included in any Registration Statement under this Agreement, to the fullest extent permitted by law, the Company will, and hereby does, indemnify, hold harmless and defend the Investor, each of its directors, officers, stockholders, members, partners, employees, agents, advisors, representatives (and any other Persons with a functionally equivalent role of a Person holding such titles notwithstanding the lack of such title or any other title) and each Person, if any, who controls the Investor within the meaning of the Securities Act or the Exchange Act and each of the directors, officers, stockholders, members, partners, employees, agents, advisors, representatives (and any other Persons with a functionally equivalent role of a Person holding such titles notwithstanding the lack of such title or any other title) of such controlling Persons (each, an “**Investor Party**” and collectively, the “**Investor Parties**”), against any losses, obligations, claims, damages, liabilities, contingencies, judgments, fines, penalties, charges, costs (including, without limitation, court costs, reasonable attorneys’ fees, costs of defense and investigation), amounts paid in settlement or expenses, joint or several, (collectively, “**Claims**”) reasonably incurred in investigating, preparing or defending any action, claim, suit, inquiry, proceeding, investigation or appeal taken from the foregoing by or before any court or governmental, administrative or other regulatory agency, body or the Commission, whether pending or threatened, whether or not an Investor Party is or may be a party thereto (“**Indemnified Damages**”), to which any of them may become subject insofar as such Claims (or actions or proceedings, whether commenced or threatened, in respect thereof) arise out of or are based upon: (i) any untrue statement or alleged untrue statement of a material fact in a Registration Statement or any post-effective amendment thereto or in any filing made in connection with the qualification of the offering under the securities or other “Blue Sky” laws of any jurisdiction in which Registrable Securities are offered (“**Blue Sky Filing**”), or the omission or alleged omission to state a material fact required to be stated therein or necessary to make the statements therein not misleading or (ii) any untrue statement or alleged untrue statement of a material fact contained in any Prospectus (as amended or supplemented) or in any Prospectus Supplement or the omission or alleged omission to state therein any material fact necessary to make the statements made therein, in the light of the circumstances under which the statements therein were made, not misleading (the matters in the foregoing clauses (i) and (ii) being, collectively, “**Violations**”). Subject to Section 6(e), the Company shall reimburse the Investor Parties, promptly as such

expenses are incurred and are due and payable, for any reasonable legal fees or other reasonable expenses incurred by them in connection with investigating or defending any such Claim. Notwithstanding anything to the contrary contained herein, the indemnification agreement contained in this Section 6(a): (i) shall not apply to a Claim by an Investor Party arising out of or based upon a Violation which occurs in reliance upon and in conformity with information furnished in writing to the Company by such Investor Party for such Investor Party expressly for use in connection with the preparation of such Registration Statement, Prospectus or Prospectus Supplement or any such amendment thereof or supplement thereto (it being hereby acknowledged and agreed that the written information set forth on Exhibit C attached hereto is the only written information furnished to the Company by or on behalf of the Investor expressly for use in any Registration Statement, Prospectus or Prospectus Supplement); (ii) shall not be available to the Investor to the extent such Claim is based on a failure of the Investor to deliver or to cause to be delivered the Prospectus (as amended or supplemented) made available by the Company (to the extent applicable), including, without limitation, a corrected Prospectus, if such Prospectus (as amended or supplemented) or corrected Prospectus was timely made available by the Company pursuant to Section 3(d) and then only if, and to the extent that, following the receipt of the corrected Prospectus no grounds for such Claim would have existed; and (iii) shall not apply to amounts paid in settlement of any Claim if such settlement is effected without the prior written consent of the Company, which consent shall not be unreasonably withheld or delayed. Such indemnity shall remain in full force and effect regardless of any investigation made by or on behalf of the Investor Party and shall survive the transfer of any of the Registrable Securities by the Investor pursuant to Section 9.

(b) In connection with any Registration Statement in which the Investor is participating, the Investor agrees to severally and not jointly indemnify, hold harmless and defend, to the same extent and in the same manner as is set forth in Section 6(a), the Company, each of its directors, each of its officers who signs the Registration Statement and each Person, if any, who controls the Company within the meaning of the Securities Act or the Exchange Act (each, a "**Company Party**"), against any Claim or Indemnified Damages to which any of them may become subject, under the Securities Act, the Exchange Act or otherwise, insofar as such Claim or Indemnified Damages arise out of or are based upon any Violation, in each case, to the extent, and only to the extent, that such Violation occurs in reliance upon and in conformity with written information relating to the Investor furnished to the Company by the Investor expressly for use in connection with such Registration Statement, the Prospectus included therein or any Prospectus Supplement thereto (it being hereby acknowledged and agreed that the written information set forth on Exhibit C attached hereto is the only written information furnished to the Company by or on behalf of the Investor expressly for use in any Registration Statement, Prospectus or Prospectus Supplement); and, subject to Section 6(e) and the below provisos in this Section 6(b), the Investor shall reimburse a Company Party any reasonable legal or other expenses reasonably incurred by such Company Party in connection with investigating or defending any such Claim; provided, however, the indemnity agreement contained in this Section 6(b) and the agreement with respect to contribution contained in Section 7 shall not apply to amounts paid in settlement of any Claim if such settlement is effected without the prior written consent of the Investor, which consent shall not be unreasonably withheld or delayed; and provided, further that the Investor shall be liable under this Section 6(b) for only that amount of a Claim or Indemnified Damages as does not exceed the net proceeds to the Investor as a result of the applicable sale of Registrable Securities pursuant to such Registration Statement, Prospectus or Prospectus Supplement. Such indemnity shall remain in full force and effect regardless of any investigation made by or on behalf of such Company Party and shall survive the transfer of any of the Registrable Securities by the Investor pursuant to Section 9.

(c) Promptly after receipt by an Investor Party or Company Party (as the case may be) under this Section 6 of notice of the commencement of any action or proceeding (including, without limitation, any governmental action or proceeding) involving a Claim, such Investor Party or Company Party (as the case may be) shall, if a Claim in respect thereof is to be made against any indemnifying party under this Section 6, deliver to the indemnifying party a written notice of the commencement thereof, and the indemnifying party shall have the right to participate in, and, to the extent the indemnifying party so desires, jointly with any other indemnifying party similarly noticed, to assume control of the defense thereof with counsel mutually satisfactory to the indemnifying party and the Investor Party or the Company Party (as the case may be); provided, however, an Investor Party or Company Party (as the case may be) shall have the right to retain its own counsel with the reasonable fees and expenses of such counsel to be paid by the indemnifying party if: (i) the indemnifying party has agreed in writing to pay such fees and expenses; (ii) the indemnifying party shall have failed promptly to assume the defense of such Claim and to employ counsel reasonably satisfactory to such Investor Party or Company Party (as the case may be) in any such Claim; or (iii) the named parties to any such Claim (including, without limitation, any impleaded parties) include both such Investor Party or Company Party (as the case may be) and the indemnifying party, and such Investor Party or such Company Party (as the case may be) shall have been advised by counsel that a conflict of interest is likely to exist if the same counsel were to represent such Investor Party or such Company Party and the indemnifying party (in which case, if such Investor Party or such Company Party (as the case may be) notifies the indemnifying party in writing that it elects to employ separate counsel at the expense of the indemnifying party, then the indemnifying party shall not have the right to assume the defense thereof on behalf of the indemnified party and such counsel shall be at the expense of the indemnifying party, provided further that in the case of clause (iii) above the indemnifying party shall not be responsible for the reasonable fees and expenses of more than one (1) separate legal counsel for all Investor Parties or Company Parties (as the case may be). The Company Party or Investor Party (as the case may be) shall reasonably cooperate with the indemnifying party in connection with any negotiation or defense of any such action or Claim by the indemnifying party and shall furnish to the indemnifying party all information reasonably available to the Company Party or Investor Party (as the case may be) which relates to such action or Claim. The indemnifying party shall keep the Company Party or Investor Party (as the case may be) reasonably apprised at all times as to the status of the defense or any settlement negotiations with respect thereto. No indemnifying party shall be liable for any settlement of any action, claim or proceeding effected without its prior written consent; provided, however, the indemnifying party shall not unreasonably withhold, delay or condition its consent. No indemnifying party shall, without the prior written consent of the Company Party or Investor Party (as the case may be), consent to entry of any judgment or enter into any settlement or other compromise which does not include as an unconditional term thereof the giving by the claimant or plaintiff to such Company Party or Investor Party (as the case may be) of a release from all liability in respect to such Claim or litigation, and such settlement shall not include any admission as to fault on the part of the Company Party. For the avoidance of doubt, the immediately preceding sentence shall apply to Sections 6(a) and 6(b) hereof. Following indemnification as provided for hereunder, the indemnifying party shall be subrogated to all rights of the Company Party or Investor Party (as the case may be) with respect to all third parties, firms

or corporations relating to the matter for which indemnification has been made. The failure to deliver written notice to the indemnifying party within a reasonable time of the commencement of any such action shall not relieve such indemnifying party of any liability to the Investor Party or Company Party (as the case may be) under this Section 6, except to the extent that the indemnifying party is materially and adversely prejudiced in its ability to defend such action.

(d) No Person involved in the sale of Registrable Securities who is guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) in connection with such sale shall be entitled to indemnification from any Person involved in such sale of Registrable Securities who is not guilty of fraudulent misrepresentation.

(e) The indemnification required by this Section 6 shall be made by periodic payments of the amount thereof during the course of the investigation or defense, as and when bills are received or Indemnified Damages are incurred; provided that any Person receiving any payment pursuant to this Section 6 shall promptly reimburse the Person making such payment for the amount of such payment to the extent a court of competent jurisdiction determines that such Person receiving such payment was not entitled to such payment.

(f) The indemnity and contribution agreements contained herein shall be in addition to (i) any cause of action or similar right of the Company Party or Investor Party against the indemnifying party or others, and (ii) any liabilities the indemnifying party may be subject to pursuant to the law.

7. Contribution.

To the extent any indemnification by an indemnifying party is prohibited or limited by law, the indemnifying party agrees to make the maximum contribution with respect to any amounts for which it would otherwise be liable under Section 6 to the fullest extent permitted by law; provided, however: (i) no contribution shall be made under circumstances where the maker would not have been liable for indemnification under the fault standards set forth in Section 6 of this Agreement, (ii) no Person involved in the sale of Registrable Securities which Person is guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) in connection with such sale shall be entitled to contribution from any Person involved in such sale of Registrable Securities who was not guilty of fraudulent misrepresentation; and (iii) contribution by any seller of Registrable Securities shall be limited in amount to the amount of net proceeds received by such seller from the applicable sale of such Registrable Securities pursuant to such Registration Statement. Notwithstanding the provisions of this Section 7, the Investor shall not be required to contribute, in the aggregate, any amount in excess of the amount by which the net proceeds actually received by the Investor from the applicable sale of the Registrable Securities subject to the Claim exceeds the amount of any damages that the Investor has otherwise been required to pay, or would otherwise be required to pay under Section 6(b), by reason of such untrue or alleged untrue statement or omission or alleged omission.

8. Reports Under the Exchange Act.

With a view to making available to the Investor the benefits of Rule 144, the Company agrees to:

(a) use its commercially reasonable efforts to make and keep public information available, as those terms are understood and defined in Rule 144;

(b) use its commercially reasonable efforts to file with the Commission in a timely manner all reports and other documents required of the Company under the Securities Act and the Exchange Act so long as the Company remains subject to such requirements (it being understood that nothing herein shall limit any of the Company's obligations under the Purchase Agreement) and the filing of such reports and other documents is required for the applicable provisions of Rule 144;

(c) furnish to the Investor so long as the Investor owns Registrable Securities, promptly upon request, (i) a written statement by the Company, if true, that it has complied with the reporting, submission and posting requirements of Rule 144 and the Exchange Act, (ii) a copy of the most recent annual or quarterly report of the Company and such other reports and documents so filed by the Company with the Commission if such reports are not publicly available via EDGAR, and (iii) such other information as may be reasonably requested to permit the Investor to sell such securities pursuant to Rule 144 without registration; and

(d) take such additional action as is reasonably requested by the Investor to enable the Investor to sell the Registrable Securities pursuant to Rule 144, including, without limitation, delivering all such legal opinions, consents, certificates, resolutions and instructions to the Company's transfer agent as may be reasonably requested from time to time by the Investor and otherwise reasonably cooperate with Investor and Investor's broker to effect such sale of securities pursuant to Rule 144.

9. Assignment of Registration Rights.

Neither the Company nor the Investor shall assign this Agreement or any of their respective rights or obligations hereunder; provided, however, that any transaction, whether by merger, reorganization, restructuring, consolidation, financing or otherwise, whereby the Company remains the surviving entity immediately after such transaction shall not be deemed an assignment.

10. Amendment or Waiver.

No provision of this Agreement may be amended or waived by the parties from and after the date that is one (1) Trading Day immediately preceding the date on which the Initial Registration Statement is initially filed with the Commission. Subject to the immediately preceding sentence, no provision of this Agreement may be (i) amended other than by a written instrument signed by both parties hereto or (ii) waived other than in a written instrument signed by the party against whom enforcement of such waiver is sought. Failure of any party to exercise any right or remedy under this Agreement or otherwise, or delay by a party in exercising such right or remedy, shall not operate as a waiver thereof.

11. Miscellaneous.

(a) Solely for purposes of this Agreement, a Person is deemed to be a holder of Registrable Securities whenever such Person owns or is deemed to own of record such Registrable Securities. If the Company receives conflicting instructions, notices or elections from two or more Persons with respect to the same Registrable Securities, the Company shall act upon the basis of instructions, notice or election received from such record owner of such Registrable Securities.

(b) Any notices, consents, waivers or other communications required or permitted to be given under the terms of this Agreement shall be given in accordance with Section 10.4 of the Purchase Agreement.

(c) Failure of any party to exercise any right or remedy under this Agreement or otherwise, or delay by a party in exercising such right or remedy, shall not operate as a waiver thereof. The Company and the Investor acknowledge and agree that irreparable damage would occur in the event that any of the provisions of this Agreement were not performed in accordance with their specific terms or were otherwise breached. It is accordingly agreed that either party shall be entitled to an injunction or injunctions to prevent or cure breaches of the provisions of this Agreement by the other party and to enforce specifically the terms and provisions hereof (without the necessity of showing economic loss and without any bond or other security being required), this being in addition to any other remedy to which either party may be entitled by law or equity.

(d) All questions concerning the construction, validity, enforcement and interpretation of this Agreement shall be governed by the internal laws of the State of New York, without giving effect to any law or rule (whether of the State of New York or any other jurisdictions) that would cause the application of the laws of any jurisdictions other than the State of New York. Each party hereby irrevocably submits to the exclusive jurisdiction of the federal courts sitting in the City of New York, Borough of Manhattan, for the adjudication of any dispute hereunder or in connection herewith or with any transaction contemplated hereby or discussed herein, and hereby irrevocably waives, and agrees not to assert in any suit, action or proceeding, any claim that it is not personally subject to the jurisdiction of any such court, that such suit, action or proceeding is brought in an inconvenient forum or that the venue of such suit, action or proceeding is improper. Each party hereby irrevocably waives personal service of process and consents to process being served in any such suit, action or proceeding by mailing a copy thereof to such party at the address for such notices to it under this Agreement and agrees that such service shall constitute good and sufficient service of process and notice thereof. Nothing contained herein shall be deemed to limit in any way any right to serve process in any manner permitted by law. If any provision of this Agreement shall be invalid or unenforceable in any jurisdiction, such invalidity or unenforceability shall not affect the validity or enforceability of the remainder of this Agreement in that jurisdiction or the validity or enforceability of any provision of this Agreement in any other jurisdiction. EACH PARTY HEREBY IRREVOCABLY WAIVES ANY RIGHT IT MAY HAVE TO, AND AGREES NOT TO REQUEST, A JURY TRIAL FOR THE ADJUDICATION OF ANY DISPUTE HEREUNDER OR IN CONNECTION HEREWITH OR ARISING OUT OF THIS AGREEMENT OR ANY TRANSACTION CONTEMPLATED HEREBY.

(e) The Transaction Documents set forth the entire agreement and understanding of the parties solely with respect to the subject matter thereof and supersedes all prior and contemporaneous agreements, negotiations and understandings between the parties, both oral and written, solely with respect to such matters. There are no promises, undertakings, representations or warranties by either party relative to subject matter hereof not expressly set forth in the Transaction Documents. Notwithstanding anything in this Agreement to the contrary and without implication that the contrary would otherwise be true, nothing contained in this Agreement shall limit, modify or affect in any manner whatsoever (i) the conditions precedent to a VWAP Purchase and an Intraday VWAP Purchase contained in Article VII of the Purchase Agreement or (ii) any of the Company's obligations under the Purchase Agreement.

(f) This Agreement shall inure to the benefit of and be binding upon the parties hereto and their respective successors. This Agreement is not for the benefit of, nor may any provision hereof be enforced by, any Person, other than the parties hereto, their respective successors and the Persons referred to in Sections 6 and 7 hereof.

(g) The headings in this Agreement are for convenience of reference only and shall not limit or otherwise affect the meaning hereof. Unless the context clearly indicates otherwise, each pronoun herein shall be deemed to include the masculine, feminine, neuter, singular and plural forms thereof. The terms "including," "includes," "include" and words of like import shall be construed broadly as if followed by the words "without limitation." The terms "herein," "hereunder," "hereof" and words of like import refer to this entire Agreement instead of just the provision in which they are found.

(h) This Agreement may be executed in two or more identical counterparts, all of which shall be considered one and the same agreement and shall become effective when counterparts have been signed by each party and delivered to the other party; provided that a facsimile signature or signature delivered by e-mail in a ".pdf" format data file, including any electronic signature complying with the U.S. federal E-SIGN Act of 2000, e.g., www.docusign.com, www.echosign.adobe.com, etc., shall be considered due execution and shall be binding upon the signatory thereto with the same force and effect as if the signature were an original signature.

(i) Each party shall do and perform, or cause to be done and performed, all such further acts and things, and shall execute and deliver all such other agreements, certificates, instruments and documents as any other party may reasonably request in order to carry out the intent and accomplish the purposes of this Agreement and the consummation of the transactions contemplated hereby.

(j) The language used in this Agreement will be deemed to be the language chosen by the parties to express their mutual intent and no rules of strict construction will be applied against any party.

Re: Astra Space, Inc.

Ladies and Gentlemen:

We are counsel to Astra Space, Inc., a Delaware corporation (the "**Company**"), and have represented the Company in connection with that certain Common Stock Purchase Agreement, dated August 2, 2022 (the "**Purchase Agreement**"), entered into by and between the Company and the Investor named therein (the "**Holder**"), pursuant to which the Company has issued and may issue to the Holder from time to time shares of the Company's Class A common stock, par value \$0.0001 per share (the "**Common Stock**"). Pursuant to the Purchase Agreement, the Company also has entered into a Registration Rights Agreement, dated as of August 2, 2022, with the Holder (the "**Registration Rights Agreement**"), pursuant to which the Company agreed, among other things, to register the offer and sale by the Holder of the Registrable Securities (as defined in the Registration Rights Agreement) under the Securities Act of 1933, as amended (the "**Securities Act**"). In connection with the Company's obligations under the Registration Rights Agreement, on August [•], 2022, the Company filed a Registration Statement on Form S-1 (File No. 333-[•]) (the "**Registration Statement**") with the Securities and Exchange Commission (the "**Commission**") relating to the resale by the holder of Registrable Securities and which names the Holder as an underwriter and a selling stockholder thereunder.

In connection with the foregoing, based solely on our review of the Commission's EDGAR website, we advise you that the Registration Statement became effective under the Securities Act on [•], 2022. In addition, based solely on our review of the information made available by the Commission at <http://www.sec.gov/litigation/stoporders.shtml>, we confirm that the Commission has not issued any stop order suspending the effectiveness of the Registration Statement. To our knowledge, based solely on our participation in the conferences mentioned above regarding the Registration Statement and our review of the information made available by the Commission at <http://www.sec.gov/litigation/stoporders.shtml>, no proceedings for that purpose are pending or have been instituted or threatened by the Commission.

We assume no obligation to update or supplement this letter to reflect any facts or circumstances which may hereafter come to our attention with respect to the statements expressed above, including any changes in applicable law that may hereafter occur.

This letter is being delivered solely for the benefit of the person to whom it is addressed; accordingly, it may not be quoted, filed with any governmental authority or other regulatory agency or otherwise circulated or utilized for any purposes without our prior written consent.

Very truly yours,
Cozen O' Connor

SELLING STOCKHOLDER

This prospectus relates to the offer and sale by B. Riley Principal Capital II of up to [•] shares of Class A common stock that have been and may be issued by us to B. Riley Principal Capital II under the Purchase Agreement. For additional information regarding the shares of Class A common stock included in this prospectus, see the section titled “Committed Equity Financing” above. We are registering the shares of Class A common stock included in this prospectus pursuant to the provisions of the Registration Rights Agreement we entered into with B. Riley Principal Capital II on August 2, 2022 in order to permit the selling stockholder to offer the shares included in this prospectus for resale from time to time. Except for the transactions contemplated by the Purchase Agreement and the Registration Rights Agreement and as set forth in the section titled “Plan of Distribution (Conflict of Interest)” in this prospectus, B. Riley Principal Capital II has not had any material relationship with us within the past three years. As used in this prospectus, the term “selling stockholder” means B. Riley Principal Capital II, LLC.

The table below presents information regarding the selling stockholder and the shares of Class A common stock that may be resold by the selling stockholder from time to time under this prospectus. This table is prepared based on information supplied to us by the selling stockholder, and reflects holdings as of [•], 2022. The number of shares in the column “Maximum Number of Shares of Class A Common Stock to be Offered Pursuant to this Prospectus” represents all of the shares of Class A common stock being offered for resale by the selling stockholder under this prospectus. The selling stockholder may sell some, all or none of the shares being offered for resale in this offering. We do not know how long the selling stockholder will hold the shares before selling them and, except as set forth in the section titled “Plan of Distribution (Conflict of Interest)” in this prospectus, we are not aware of any existing arrangements between the selling stockholder and any other stockholder, broker, dealer, underwriter or agent relating to the sale or distribution of the shares of our Class A common stock being offered for resale by this prospectus.

Beneficial ownership is determined in accordance with Rule 13d-3(d) promulgated by the SEC under the Exchange Act, and includes shares of Class A common stock with respect to which the selling stockholder has sole or shared voting and investment power. The percentage of shares of Class A common stock beneficially owned by the selling stockholder prior to the offering shown in the table below is based on an aggregate of [•] shares of our Class A common stock outstanding on [•], 2022. Because the purchase price to be paid by the selling stockholder for shares of Class A common stock, if any, that we may elect to sell to the selling stockholder in one or more VWAP Purchases and one or more Intraday VWAP Purchases from time to time under the Purchase Agreement will be determined on the applicable Purchase Dates therefor, the actual number of shares of Class A common stock that we may sell to the selling stockholder under the Purchase Agreement may be fewer than the number of shares being offered for resale under this prospectus. The fourth column assumes the resale by the selling stockholder of all of the shares of Class A common stock being offered for resale pursuant to this prospectus.

Name of Selling Stockholder	Number of Shares of Class A Common Stock Beneficially Owned Prior to Offering		Maximum Number of Shares of Class A Common Stock to be Offered Pursuant to this Prospectus	Number of Shares of Class A Common Stock Beneficially Owned After Offering	
	Number ⁽¹⁾	Percent ⁽²⁾		Number ⁽³⁾	Percent ⁽²⁾
B. Riley Principal Capital II, LLC ⁽⁴⁾	359,098	*	[•]	0	—

* Represents beneficial ownership of less than 1% of the outstanding shares of our Class A common stock.

- (1) Represents the 359,098 shares of Class A common stock we issued to B. Riley Principal Capital II on August 2, 2022 as Initial Commitment Shares in consideration for entering into the Purchase Agreement with us. In accordance with Rule 13d-3(d) under the Exchange Act, we have excluded from the number of shares beneficially owned prior to the offering (i) all of the shares of Class A common stock that B. Riley Principal Capital II may be required to purchase under the Purchase Agreement, because the issuance of such shares is solely at our discretion and is subject to conditions contained in the Purchase Agreement, the satisfaction of which are entirely outside of B. Riley Principal Capital II's control, including the registration statement that includes this prospectus becoming and remaining effective, and (ii) up to 359,097 shares of Class A common stock that we may issue to B. Riley Principal Capital II in two equal tranches as Additional Commitment Shares, because the issuance of the Additional Commitment Shares to B. Riley Principal Capital II is subject to our election to sell certain amounts of shares of our Class A common stock to B. Riley Principal Capital II pursuant to the Purchase Agreement as set forth in the Purchase Agreement, which sales are entirely at our discretion and subject to satisfaction of conditions contained in the Purchase Agreement that are outside of B. Riley Principal Capital II's control. Furthermore, the VWAP Purchases and the Intraday VWAP Purchases of Class A common stock under the Purchase Agreement are subject to certain agreed upon maximum amount limitations set forth in the Purchase Agreement. Also, the Purchase Agreement prohibits us from issuing and selling any shares of our Class A common stock to B. Riley Principal Capital II to the extent such shares, when aggregated with all other shares of our Class A common stock then beneficially owned by B. Riley Principal Capital II, would cause B. Riley Principal Capital II's beneficial ownership of our Class A common stock to exceed the 4.99% Beneficial Ownership Limitation. The Purchase Agreement also prohibits us from issuing or selling shares of our Class A common stock under the Purchase Agreement in excess of the 19.99% Exchange Cap, unless we obtain shareholder approval to do so, or unless the average price for all shares of our Class A common stock purchased by B. Riley Principal Capital II under the Purchase Agreement equals or exceeds \$1.424 per share, such that the Exchange Cap limitation would not apply under applicable Nasdaq rules. Neither the Beneficial Ownership Limitation nor the Exchange Cap (to the extent applicable under Nasdaq rules) may be amended or waived under the Purchase Agreement.
- (2) Applicable percentage ownership is based on [•] shares of our Class A common stock outstanding as of [•], 2022.
- (3) Assumes the sale of all shares of Class A common stock being offered pursuant to this prospectus.
- (4) The business address of B. Riley Principal Capital II, LLC ("BRPC II") is 11100 Santa Monica Blvd., Suite 800, Los Angeles, California 90025. BRPC II's principal business is that of a private investor. The sole member of BRPC II is B. Riley Principal Investments, LLC ("BRPI"), which is an indirect subsidiary of B. Riley Financial, Inc. ("BRF"). An Investment Committee of BRPC II (the "BRPC II Investment Committee"), which is composed of five members appointed by BRPI, has sole voting power and sole investment power over securities beneficially owned, directly, by BRPC II. All decisions with respect to the voting and disposition of securities beneficially owned, directly, by BRPC II are made exclusively by majority vote of the BRPC II Investment Committee, each member of the BRPC II Investment Committee having one vote, and no single member of the BRPC II Investment Committee has any ability to make any such decisions unilaterally or any veto power with respect to decisions that are made by the vote of a majority of the members of the BRPC II Investment Committee. The sole voting and investment powers of the BRPC II Investment Committee over securities beneficially owned, directly, by BRPC II are exercised independently from all other direct and indirect subsidiaries of BRF, and the voting and

investment powers over securities beneficially owned directly or indirectly by all other direct and indirect subsidiaries of BRF are exercised independently from BRPC II. We have been advised that neither BRPI nor BRPC II is a member of the Financial Industry Regulatory Authority, Inc. (“FINRA”) or an independent broker-dealer; however, each of BRPI and BRPC II is an affiliate of B. Riley Securities, Inc. (“BRS”), a registered broker-dealer and FINRA member, and certain officers of BRPC II and certain of the BRPC II Investment Committee members are associated persons of BRS. BRS will act as an executing broker that will effectuate resales of our Class A common stock that have been and may be acquired by BRPC II from us pursuant to the Purchase Agreement to the public in this offering. See “Plan of Distribution (Conflict of Interest)” for more information about the relationship between BRPC II and BRS.

PLAN OF DISTRIBUTION (CONFLICT OF INTEREST)

The shares of Class A common stock offered by this prospectus are being offered by the selling stockholder, B. Riley Principal Capital II, LLC. The shares may be sold or distributed from time to time by the selling stockholder directly to one or more purchasers or through brokers, dealers, or underwriters who may act solely as agents at market prices prevailing at the time of sale, at prices related to the prevailing market prices, at negotiated prices, or at fixed prices, which may be changed. The sale of the shares of our Class A common stock offered by this prospectus could be effected in one or more of the following methods:

- ordinary brokers' transactions;
- transactions involving cross or block trades;
- through brokers, dealers, or underwriters who may act solely as agents;
- "at the market" into an existing market for our Class A common stock;
- in other ways not involving market makers or established business markets, including direct sales to purchasers or sales effected through agents;
- in privately negotiated transactions; or
- any combination of the foregoing.

In order to comply with the securities laws of certain states, if applicable, the shares may be sold only through registered or licensed brokers or dealers. In addition, in certain states, the shares may not be sold unless they have been registered or qualified for sale in the state or an exemption from the state's registration or qualification requirement is available and complied with.

B. Riley Principal Capital II is an "underwriter" within the meaning of Section 2(a)(11) of the Securities Act.

B. Riley Principal Capital II has informed us that it presently anticipates using, but is not required to use, B. Riley Securities, Inc. ("BRS"), a registered broker-dealer and FINRA member and an affiliate of B. Riley Principal Capital II, as a broker to effectuate resales, if any, of our Class A common stock that it may acquire from us pursuant to the Purchase Agreement, and that it may also engage one or more other registered broker-dealers to effectuate resales, if any, of such Class A common stock that it may acquire from us. Such resales will be made at prices and at terms then prevailing or at prices related to the then current market price. Each such registered broker-dealer will be an underwriter within the meaning of Section 2(a)(11) of the Securities Act. B. Riley Principal Capital II has informed us that each such broker-dealer it engages to effectuate resales of our Class A common stock on its behalf, excluding BRS, may receive commissions from B. Riley Principal Capital II for executing such resales for B. Riley Principal Capital II and, if so, such commissions will not exceed customary brokerage commissions.

B. Riley Principal Capital II is an affiliate of BRS, a registered broker-dealer and FINRA member, which will act as an executing broker that will effectuate resales of our Class A common stock that have been and may be acquired by B. Riley Principal Capital II from us pursuant to the Purchase Agreement to the public in this offering. Because B. Riley Principal Capital II will receive all the net proceeds from such resales of our Class A common stock made to the public through BRS, BRS is deemed to have a “conflict of interest” within the meaning of FINRA Rule 5121. Consequently, this offering will be conducted in compliance with the provisions of FINRA Rule 5121. In accordance with FINRA Rule 5121, BRS is not permitted to sell shares of our Class A common stock in this offering to an account over which it exercises discretionary authority without the prior specific written approval of the account holder.

Except as set forth above, we know of no existing arrangements between the selling stockholder and any other stockholder, broker, dealer, underwriter or agent relating to the sale or distribution of the shares of our Class A common stock offered by this prospectus.

Brokers, dealers, underwriters or agents participating in the distribution of the shares of our Class A common stock offered by this prospectus may receive compensation in the form of commissions, discounts, or concessions from the purchasers, for whom the broker-dealers may act as agent, of the shares sold by the selling stockholder through this prospectus. The compensation paid to any such particular broker-dealer by any such purchasers of shares of our Class A common stock sold by the selling stockholder may be less than or in excess of customary commissions. Neither we nor the selling stockholder can presently estimate the amount of compensation that any agent will receive from any purchasers of shares of our Class A common stock sold by the selling stockholder.

We may from time to time file with the SEC one or more supplements to this prospectus or amendments to the registration statement of which this prospectus forms a part to amend, supplement or update information contained in this prospectus, including, if and when required under the Securities Act, to disclose certain information relating to a particular sale of shares offered by this prospectus by the selling stockholder, including with respect to any compensation paid or payable by the selling stockholder to any brokers, dealers, underwriters or agents that participate in the distribution of such shares by the selling stockholder, and any other related information required to be disclosed under the Securities Act.

We will pay the expenses incident to the registration under the Securities Act of the offer and sale of the shares of our Class A common stock covered by this prospectus by the selling stockholder.

As consideration for its irrevocable commitment to purchase our Class A common stock under the Purchase Agreement, we have agreed to issue to B. Riley Principal Capital II an aggregate of 718,195 shares of our Class A common stock as Commitment Shares, which Commitment Shares have a total aggregate value equal to 1.0% of B. Riley Principal Capital II’s \$100,000,000 total dollar amount purchase commitment under the Purchase Agreement (assuming a purchase price of \$1.3924 per Commitment Share, representing the average daily volume weighted average price per share of our common stock for the five-consecutive trading day period ending on the trading day immediately preceding the date of the Purchase Agreement). Of such 718,195 aggregate Commitment Shares, we issued 359,098 shares as Initial Commitment Shares upon execution of the Purchase

Agreement and the Registration Rights Agreement, and we will issue up to 359,097 shares as Additional Commitment Shares in two equal tranches, the first of which we will issue to B. Riley Principal Capital II when we have received aggregate gross proceeds of \$25,000,000 from sales of our Class A common stock to B. Riley Principal Capital II under the Purchase Agreement (if any), and the second of which we will issue to B. Riley Principal Capital II when we have received aggregate gross proceeds of \$50,000,000 from sales of our Class A common stock to B. Riley Principal Capital II under the Purchase Agreement (if any). In accordance with FINRA Rule 5110, the aggregate 718,195 Commitment Shares are deemed to be underwriting compensation in connection with sales of our common stock by B. Riley Principal Capital II to the public. In addition, we have agreed to reimburse B. Riley Principal Capital II for the reasonable legal fees and disbursements of B. Riley Principal Capital II's legal counsel in an amount not to exceed (i) \$125,000 upon our execution of the Purchase Agreement and Registration Rights Agreement and (ii) up to \$7,500 per fiscal quarter, in each case in connection with the transactions contemplated by this Agreement and the Registration Rights Agreement. In accordance with FINRA Rule 5110, these reimbursed fees and expenses are deemed to be underwriting compensation in connection with sales of our common stock by B. Riley Principal Capital II to the public.

We also have agreed to indemnify B. Riley Principal Capital II and certain other persons against certain liabilities in connection with the offering of shares of our Class A common stock offered hereby, including liabilities arising under the Securities Act or, if such indemnity is unavailable, to contribute amounts required to be paid in respect of such liabilities. B. Riley Principal Capital II has agreed to indemnify us against liabilities under the Securities Act that may arise from certain written information furnished to us by B. Riley Principal Capital II specifically for use in this prospectus or, if such indemnity is unavailable, to contribute amounts required to be paid in respect of such liabilities. Insofar as indemnification for liabilities arising under the Securities Act may be permitted to our directors, officers, and controlling persons, we have been advised that in the opinion of the SEC this indemnification is against public policy as expressed in the Securities Act and is therefore, unenforceable.

We estimate that the total expenses for the offering will be approximately \$[•].

B. Riley Principal Capital II has represented to us that at no time prior to the date of the Purchase Agreement has B. Riley Principal Capital II, its sole member, any of their respective officers, or any entity managed or controlled by B. Riley Principal Capital II or its sole member, engaged in or effected, in any manner whatsoever, directly or indirectly, for its own account or for the account of any of its affiliates, any short sale (as such term is defined in Rule 200 of Regulation SHO of the Exchange Act) of our Class A common stock or any hedging transaction, which establishes a net short position with respect to our Class A common stock. B. Riley Principal Capital II has agreed that during the term of the Purchase Agreement, none of B. Riley Principal Capital II, its sole member, any of their respective officers, or any entity managed or controlled by B. Riley Principal Capital II or its sole member, will enter into or effect, directly or indirectly, any of the foregoing transactions for its own account or for the account of any other such person or entity.

We have advised the selling stockholder that it is required to comply with Regulation M promulgated under the Exchange Act. With certain exceptions, Regulation M precludes the selling stockholder, any affiliated purchasers, and any broker-dealer or other person who participates in

the distribution from bidding for or purchasing, or attempting to induce any person to bid for or purchase any security which is the subject of the distribution until the entire distribution is complete. Regulation M also prohibits any bids or purchases made in order to stabilize the price of a security in connection with the distribution of that security. All of the foregoing may affect the marketability of the securities offered by this prospectus.

This offering will terminate on the date that all shares of our Class A common stock offered by this prospectus have been sold by the selling stockholder.

Our Class A common stock is currently listed on The Nasdaq Global Select Market under the symbol "ASTR".

B. Riley Principal Capital II and/or one or more of its affiliates has provided, currently provides and/or from time to time in the future may provide various investment banking and other financial services for us and/or one or more of our affiliates that are unrelated to the transactions contemplated by the Purchase Agreement and the offering of shares for resale by B. Riley Principal Capital II to which this prospectus relates, for which investment banking and other financial services they have received and may continue to receive customary fees, commissions and other compensation from us, aside from any discounts, fees and other compensation that B. Riley Principal Capital II has received and may receive in connection with the transactions contemplated by the Purchase Agreement, including the Commitment Shares we have agreed to issue to B. Riley Principal Capital II as consideration for its irrevocable commitment to purchase shares of our Class A common stock from us under the Purchase Agreement, the 3.0% fixed discount to current market prices of our Class A common stock reflected in the purchase prices payable by B. Riley Principal Capital II for our Class A common stock that we may require it to purchase from us from time to time under the Purchase Agreement, and our reimbursement of up to an aggregate of \$185,000 of B. Riley Principal Capital II's legal fees (\$125,000 upon execution of the Purchase Agreement and \$7,500 per fiscal quarter for the maximum two year term of the Purchase Agreement) in connection with the transactions contemplated by the Purchase Agreement and the Registration Rights Agreement.
